Subject: October 2022 Area 2 Report

Date: 17 OCT 2022

A quick survey in vTools Events showed that, of the eight Sections in Area 2, only two have not completed the required two meetings so far this year. They are the Jacksonville Section with 1 meeting and the Central Georgia Section with none. Surprisingly, the Savannah Section, which only has one officer, which I haven't been able to get in touch with all year, has had four meetings.

Carlos Cabrera has gotten in touch with me saying he is interested in helping out with the Jacksonville Section, so hopefully activity there will improve. I will get in touch with Erin Mullinax, Chair of the Central Georgia Section to see what the status there is. On the Savannah Section front, I sent a broadcast email to the Section and got responses from two members who said they were interested in volunteering. I will be following up with them and hopefully taking a trip down there to meet with them.

I will also be getting in touch with the Sections in the next month to see if they have elections for next years' officers underway.

Best Regards,
