Subject: January 2023 Area 2 Report

Date: 23 JAN 2023

Highlights since our last meeting are:

- Carlos Cabrera has taken over as Chair of the Jacksonville Section. We're in the process of identifying a full slate of officers for the Section and holding an election.
- The eNotice to the Savannah Section identified two new volunteers who are willing to serve as officers in the Section. I'm working with the two remaining current officers to complete the transition. I'm also planning a trip to Savannah to meet with students and faculty of Georgia Southern's campus there to hopefully get more volunteer participation there.
- Planning meetings with all 8 Section Chairs next month to discuss their expectations and needs for 2023.

Best Regards,
