If you know someone who has made substantial regional IEEE volunteer contributions through innovative projects, exemplary leadership, service, or by fulfilling the goals as related to transnational activities, consider nominating them for one of the following awards:

1. Joseph M. Biedenbach Outstanding Engineering Educator Award
2. Outstanding Engineer Award
3. Outstanding Service Award
4. Outstanding Young Professional Award
5. Outstanding Education Activity Chair Award
6. Professional Leadership Award
7. Employer Professional Development Award
8. Daniel W. Jackson Award
9. Exemplary Section Award
10. Exemplary Student Branch Award
11. Student Professional Activities Service Award

While self-nominations are permitted, peer-recognized submissions are preferred as they provide an additional metric for evaluation.

The deadline to submit nominations is 1 December 2023.

 A complete nomination form with two letters of endorsement by two IEEE members
