

Team,

I hope you are enjoying the cooler Fall weather. Classes have started, and I hope your Sections are engaging with your Student Branches. I want to congratulate the Jacksonville State University Student Branch for their successful introductory meeting last week. I also want to thank the Atlanta Section organizers of the [ComSoc School](#) last week. I appreciate what these sections are doing to engage students.

Director-Elect Grigorian is working with Past Director Gostin to put together the Region 3 leadership team for the next two years. If you are interested in volunteering for any role, please contact [Past Director Gostin](#).

Similarly, [Director-Elect Grigorian](#) is working with Treasurer Pennisi to prepare the 2024 Budget. If there are items you wish to include in the budget, please let him know before the next FinCom meeting on October 9th.

I will be participating in a panel at the [WIE Forum](#) with Past Director Gostin next month. I hope to see many of you there.

As always, thanks for all you do for IEEE!

Respectfully submitted,
Theresa Brunasso
IEEE R3 Director
