

IEEEExtreme

- 24 hour programming competition
- Saturday October 28th
- Teams have to have a proctor throughout the whole competition
- Proctors can be in person or virtual and must be IEEE members
- Great event for sections to support by providing food for the teams

- Branches needing proctors
 - UNCA
 - ODU

Student Branch Leadership Conference

- Student Branch Leadership Conference will be Saturday September 30th from 1000-1600 at UNCC
- 60 students are attending
- Student branches will be completing their reporting requirements at the training
- Sections can email me a letter or anything that might want printed and given to the student branches in their section. This is a great way to introduce your section and tell about any events you would like the branch to be aware of.
