IEEE Columbia Section

Section Report
Angelo Ferraro, Chair
Michael J. Birochak, Vice-Chair
Stephen Morris, Secretary/Treasurer

January 22, 2024

IEEE Columbia Section Report

- Milestones
  - Re-invigorated PELS Student Branch
  - Co-sponsor Senior Member Elevation Roundup
  - Developing new slate of 2024 activities
  - Planning joint Workshop with the Long Island and Section on AI ethics and standards

- Goals:
  - Traveling Section Meetings Highlighting Resources, i.e., careers, technology
  - SSIT Society Chapter Creation
  - Stimulate Member Volunteerism,
  - Stimulate dormant University Branches
  - Establish Webmaster team to integrate the Section, Chapter and Branch websites

- Obstacles:
  - Lingering membership malaise and volunteer motivation and participation.
  - Professional responsibility of Executive officers temporarily subordinating section activities.
  - Balancing academic vs practicing engineering member perspectives and interests.
