Overview

Mark your calendars!

- SoutheastCon 2025 will be held 27-30 March 2025 at the Embassy Suites and Concord Convention Center, Concord [Charlotte], NC
    - (same location as 2010 and 2017)
- Virtual paper sessions on Saturday-Sunday 22-23 March
- The Thursday of the conference will feature a technical conference (industry-centered), planned to be co-sponsored by IEEE-USA
- Other events such as IEEE-HKN, YP, WIE will be planned

Status

Not too early to plan!

▸ Hardware competition is defined and is being tweaked – Boards and test robots already being planned!

▸ Software competition and circuit design are also defined

▸ CFP to be ready for review by 29 January 2024

▸ Budget under review and new revision to be ready by Feb 2024 FinCom

▸ Still recruiting some key volunteers
  - As conference is co-sponsored by NC Council, will be meeting with NC Sections in February to plan / recruit

▸ Food costs (as of now) are looking to be much better than 2023 and 2024 but final price sheet for 2025 still not out yet.
