

IEEE GOLD Meeting
April 14, 2003

Agenda

- Planning the next GOLD event
- Plans for a contact database to be used for GOLD activities and event notifications
- Follow up discussion about the MH Museum tour event
- Discussion of minutes of IEEE Winnipeg Section Meeting

Discussion

Members in attendance: Jennifer Jessop & Dawn Nedohin-Macek

- The MH Museum tour was a success, and all feedback provided from attendees was positive.
- The topic for the next GOLD event is ENTREPRENEURSHIP to be held at TR Labs at the U of M Smart Park in June
- The following event topic will involve a MOTIVATIONAL SPEAKER to be held in late September, or early October
- The IEEE Winnipeg Section can provide contact information from the main IEEE member database. We can obtain a listing of all student members, and graduates of the last decade. The plan is to create and maintain a GOLD contact database.
- GOLD has approx. \$270 of available funds this year to be used for events
- Next week the PES is having a luncheon meeting "Interactions between DC Systems in South China"
- Following the Next Winnipeg Section Meeting will be the Red River IEEE Student Papers Competition

Action Items

- Jennifer will contact Red River College to obtain contacts and to set up a networking system to be used in the future for advertising GOLD events.
- Dawn will contact U of M to obtain contacts and to set up a networking system to be used in the future for advertising GOLD events.
- Jennifer will contact Red River College to find out the last day of classes and the last day of exams
Note: [The last day of classes is May 30 and the last day of exams is June 6](#)
- Dawn will contact TR Labs and suggest a tentative date for the Entrepreneurship workshop in June
- Dawn will prepare a preliminary advertising poster for the Entrepreneurship event
- One or both (Jennifer & Dawn) will attend the Red River IEEE Student Papers Competition

Next Meeting: Tentatively to be held Monday May 5, over the lunch hour
