Motion to approve the agenda (JO)

Seconded (JW)

Passed

### 2. Approve Minutes

Motion to approve the agenda (JO)

Seconded (KZ)

Passed

### 3. Reports

#### 3.1 Chair

- Nothing to report.

#### 3.2 Secretary

- Nothing to report.

#### 3.3 Treasurer

- Nothing to report.
- Total in the bank and cash box = \$n/a

#### 3.4 Marketing

- \$100 UAV project, won therefore went to good use, IEEE sponsorship plaque. (KZ)
- Certificate to scan and put on website (JO)

### 4. Interview Prep Event

- Date worked out October 5, 2006 to have the event after with ASE Career Fair (JO)
- Have before or after? (KZ)
  - Ask Andrea if we can do two events (JO)
    - One how to talk to employers
    - How to interview
- Not just advertise to engineers (KZ)
  - Everywhere on campus (JO)
    - Also advertise in Asper cause they have a program with Hydro too (similar to EIT) (JW)

- Marshall McLauren Hall possible location (JO)
  - Cost at U of M is very reasonable, if in UC, room booking cost (possibly free) (JO)
  - 5<sup>th</sup> floor in UC instead cause Marshall hall is being used
- Start of September to start Ad prep (4 weeks before) (JO)
  - Use the same template as the how to do a speech workshop
  - Poster – Kory will have one by Sept 1<sup>st</sup> (KZ)
- Janet to do registration – get a generic email (JO)
- Andrea is the contact (JO)
- Faculty Permission needed (JO)

### 5. Brewery Event

- Wait on this (JO)
- Janet called the Breweries, set up the tour (JW)
  - Waiting for a call back
- Discuss the evening/weekend issue (KZ)
  - Will wait until we find out Breweries availability (JO)
- No UMES involvement
  - Instead of organizing something involving drinking just meet after at wise guys (JW)
  - Possible sponsorship from Fort Garry (KZ)

### 6. UAV Event

- Small – airplane with software/tracking Kory runs the presentation answer questions (KZ)
  - Easy event
- Have it as a recruit thing too (KZ)
  - Public/semi-public demo of the plane
  - Ask Micropilot to make facilities available
  - Full GOLD event
    - All the stuff for event setup already have
    - Do a demo
- Advertise in CS, Eng depts. (JO, KZ)
- Talk to micropilot & team members (KZ)
- Have to do it soon if we're going to do it (snow) stick with the presentation style (JO)
  - Do the same presentation as the one that already doing in Sept, but more technical (KZ)
  - Aim for the end of Oct (KZ)

## 7. Website

- No updates, no time, start ASAP (JO)
  - Gadi tried doing something with open source PHP
    - Need a mySQL database
    - How to do? Need to know what the server is running
- Change the color/graphics (KZ)
  - Talk about it next meeting
- Career sections
  - What are the firms in Winnipeg
  - Where to find this out?
- Have the power points from previous events (KZ)
- Catalogue papers (KZ)
- Correct committee members (JO)

## 8. Future Events

- Satisfied events for the year (KZ)
  - no (JO)
- Soldering- Freida (JO)
- PCB events (JO)
  - Easy to do
- Look into the water event like the UAV one
- LINUX (?)

## 8. Adjournment (time)

Motion to Adjourn (JO)

- Seconded (JW)
- Passed
