

# National Students Paper and Circuit Design Contest (NSPCDC-2011)

November 18-19, 2011

Organized by IEEE Students Branch, Jadavpur University  
in collaboration with  
Circuits and Systems Chapter (CAS), IEEE Calcutta Section

## Important Dates:

Paper Submission 18 Aug- 18 Sept, 2011

Notification of Acceptance 31 Oct, 2011

Camera Ready Deadline 10 Nov, 2011

## Registration:

### On-spot:

IEEE student member: Rs. 200/-

Non member: Rs.300/-

## Venue:

Department of ETCE, Jadavpur University

The Student Branch of IEEE, Jadavpur University is going to seek a significant expansion in opportunities for students in the form of NSPCDC-2011. The NSPCDC-2011 provides a platform for the students all over India to actively participate in paper and design competitions. The objective of NSPCDC-2011 is to provide students an opportunity and a perfect platform to exercise their talents.

## Topics of Interest include, but are not limited to the following:

- Communication
- Electronics Devices and Circuit Design
- Microwave
- Control and Robotics
- Artificial Intelligence
- Distributed and Mobile Computing

## Information for the participants of the Paper Contest:

Prospective students are invited to submit the full papers in electronic version not exceeding 4 pages as per IEEE double column format. All the papers will be subjected to a review process before final acceptance. All the manuscripts are to be submitted electronically through [nspcdc2011@gmail.com](mailto:nspcdc2011@gmail.com). In case of multiple authors of a paper, at least one author must register and present the paper. All accepted papers will be considered for publication provided at least one author registers and attends the conference. If authors other than presenting authors are willing to attend the contest, separate registration fees should be paid per person.

## Information for the participants of the Circuit Design Contest:

Prospective students are invited to submit electronic version of the Design manuscript not exceeding 2 pages as per IEEE double column format stating the purpose, utility and functionality. Only circuit designs with suitable humanitarian applicability and some extent of novelty will be accepted for evaluation. All the manuscript will be subjected to a review process before final acceptance. All the manuscripts are to be submitted electronically using the email ID [nspcdc2011@gmail.com](mailto:nspcdc2011@gmail.com). The author's has to send an electronic version of a signed statement from their academic advisor stating that the work is principally the effort of the students along with their manuscript. At least one author must register and present their design in form of a poster presentation along with the working design set up. Kindly mention the apparatus and their specifications required for demonstration in the manuscript.

## IEEE and IEEE Student Branch Jadavpur University Society Policies:

Papers are reviewed on the basis that they do not contain plagiarized material and have not been submitted to any other conference at the same time (double submission). These matters are taken very seriously and the IEEE Student Branch, Jadavpur University will take action against any author who has engaged in either practice.
