IEEE DAY

MVSREC IEEE Student Branch has celebrated IEEE Day on 9th October, 2014. IEEE Day is a global event to celebrate everywhere around the world. For more than 125 years, IEEE has brought together the brightest minds in technology, capturing their intellect, passion and dedication and sharing those resources with the world, all this to bring about global prosperity and benefit mankind.

IEEE DAY Details:

Date: 9th, October, 2014.

Time: 12:00 AM-4:00 PM

Venue: CSE Seminar Hall, MVSR Engineering College.

On the occasion of IEEE Day, MVSREC Student Branch organized a Talk on **Role of IEEE for Swachh Bharath** by **V.Ashwini Kumar, Advisor, IEEEESB MVSREC** followed by a technical quiz and debate.

The event started with a welcome note by A.V.Vahini, Student Branch Counselor, MVSR-IEEEESB.

Welcome note by A.V.Vahini, Student Branch Counselor, MVSREC IEEEESB.

The program was followed by lightening the lamp by Dr.P.A.Sastry, Principal, MVSREC and Heads of all the departments.

Dr.P.A.Sastry lightening the lamp.

The gathering was addressed Dr.P.A.Sastry, Principal, MVSREC and Dr. G. Kanaka Durga, Student Branch Advisor, IEEE (WIE).They encouraged us to conduct many events and make our Student Branch vibrant.

Address by Dr.P.A.Sastry, Principal, MVSREC.

Address by Dr. G. Kanaka Durga, Student Branch Advisor, WIE, IEEEESB.

The session was then continued with the presentation by two of the IEEE members of MVSREC SB about events conducted throughout the year and future plans for the development of IEEEESB of MVSREC.

IEEE Members Jay Prakash and Sanjana delivering their presentation.

Mr.V.Ashwini Kumar,Advisor, IEEEESB MVSREC presenting the talk

The session was then taken up by Mr.V.Ashwini Kumar, Student Branch Advisor, MVSREC IEEEESB. He discussed about various perspectives to be concentrated by every citizen of India.. He first mentioned the country's perspectives such as jobs, skills, technologies, health, hygiene, security, emergency services and disaster management. Coming to the State level he mentioned all the above things along with water grids, urban development, housing for poor, law and order etc. Later he focused on things to be done at the college level to foster Swachh Bharat mission. He mentioned that the students and staff should focus on the problems like waste management etc and try to solve them using their technical skills.

Students listening to the talk

After the Talk, the session continued with Quiz on general topics in which 63 students took part enthusiastically. It took place for half an hour. All the participants were given participation certificates and top 3 students were awarded with merit certificates.

Students participating in Quiz-O-Mania.

This was followed by debate which was conducted to two separate groups on Pros and Cons of Social media and BJP Vs Congress. The students showed a great interest and were enthusiastic to participate in the debate. All the participants were given participation certificates and four participants two from each group were awarded merit certificates for their good performance in the debate.
