## HELPING HANDS

69<sup>th</sup> year of Independence, a great day and a proud moment for every Indian. There was celebration in the air and everyone took pride to be an Indian. We the students from IEEE SB MVSREC with enhanced patriotism, following the vision of our Freedom Fighters and also believing in Justice, Liberty, Equality and Fraternity, successfully organized two social events by dividing into two teams.

### Event details:

- 1. Date: 15-08-2015**  
**Time: 9:00 AM – 4:00 PM**  
**Venue: Vatsalyam voluntary organization (Nagole)**
- 2. Date: 15-08-2015**  
**Time: 10:00 AM – 12:00 PM**  
**Venue: Sri Saraswati Sishumandir High School (Badangpet)**

**At Vatsalyam voluntary organization:** A social welfare organization to support orphans, blind, physically challenged and people who are in need.

A team comprising of 20 members from IEEE SB filled with enthusiasm and the desire to encourage the kids and spread happiness.

IEEE student members with the kids at the orphanage

A number of cultural and sports activities were conducted. The children were pumped up in showing their talents. We the IEEE Student members distributed ourselves and conducted various activities. They are as follows:

### **Activity 1: Drawing**

The students exhibited their drawing skills excellently and the winners were awarded with sketch pens and books.

**“Drawing is the honesty of the art. There is no possibility of cheating. It is only good”.**

## Activity 2: Dance

With the aim of honing the dancing skills of the students, dance competition was organised. Their enthusiasm and energy was flamboyant as they enthralled everyone with their performances. The winners were given surprise gifts.

santosh performing

## Activity 3: Dog in the bone

This game filled with endless fun, bringing laughter and smile to everyone who plays it. To the old it is a game to relish childhood memories. Everyone played it together, students and IEEE members.

#### **Activity 4: kho-kho**

It being one of the two most popular traditional tag games of the Indian subcontinent that every Indian is fond of playing. It was on the kids demand to play this game. They enjoyed it thoroughly and showed a lot of expertise in the play which was very impressive. **“Happiness is not something readymade. It comes from your own actions”**.

#### **Activity 5: Throw ball**

Children were very energetic, be it punching the ball or catching it, these kids were good at everything. There was a lot that we learnt from them. **“Find a place inside where there's joy, and the joy will burn out the pain”**.

We provided them lunch which included their favourite cuisines. The food was so delicious that, it left them finger licking.

E.Sanjana serving the kids

As there was no water purifier available in the orphanage and also realising the fact that safe drinking water is very essential and it plays a vital role in one's health we gifted them with a water purifier.

At the end everyone received gifts, goodies, goods, clothes and smiles all around.

## **Plantation Drive: At Sri Saraswati Sishumandir High School.**

The IEEE MVSREC Student branch also visited a school called “Sri Saraswathi Sishumandir High School” which is one of the branches of an educational trust called “Saraswati Vidya Petam”. The objective of the trust is to provide primary and secondary level education to the poor.

On the occasion of 69<sup>th</sup> Independence Day, the team of IEEE student members visited to the school to spread awareness about Importance of plants and held a “**Plantation Drive**” by the students and staff in the school.

At first, The event was inaugurated by the chief guest of the school “ Mr.Madan Mohan Darak” who supported the school in its expenses.

One of the chief guests, Mr.Madan Mohan Darak, Business man who is one of supporters of the school receiving a plant sampling from K.V.Sirisha , IEEE student member.

The team of Plantation Drive with the chief guests along with the students and alumni's of the school.

Followed by that, Dr.Srinivas bajpai, Engineer at Defence Electronics Research laboratory (DLRL) planted the first plant of our Plantation Drive.

Dr.Srinivas Bajpai, Engineer at DRLR planting a sapling along with the student members.

Pictures above are captured when the other chief guest was planting and watering the plant while students were helping him in digging.

Later staff and faculty of the school planted few plants in the surroundings of the school.

Faculty of the school planting a sapling.

Working staff and former students of schools also planted few saplings. Following are the few snap shots captured when they were planting.

Later, plantation Drive was carried on by students of the school along with IEEE Student members. The IEEE student members guided the school students in planting and watering. The students actively took part in the event.

**“A society grows great when young men plant trees whose shade they know they shall never sit in.”**

A kid who was very excited to plant a sapling.

After Plantation Drive, the team conducted a picture quiz of freedom fighters for primary and few secondary classes.

Pictures captured while conducting quiz for primary students

By their performance, we could identify that the students were aware of all freedom fighters but identifying the picture was difficult for them as they never had the facility to access books or internet. So the IIEEE student members promised the students that they would visit the school in leisure hours and help them in such areas.

IEEESB who organised Plantation Drive and picture quiz.

By the end students and faculty were asked to take care of the plants that were planted during Plantation Drive. The team was very happy for good response of the students.

The most awaited day had everything in it, the fervour of patriotism, Independence in hearts, tribute to the heroes of our nation and the thoughts of goodness in every soul. We all pledged to contribute to the blessed and the needy. And most importantly play an active role in the development of the country.
