The clock struck 10” everyone in the hall was in their own tune with whispers all around. There came a loud noise, “Good Morning MVSR” it was Mr Ranganatham. Now everyone in the hall was in a pin drop silence, he started his session with the atmosphere around filled with positive vibes. Students and the faculty were completely endorsed into the topic, answering and raising questions was in its own pace. Truly it was one best of the best sessions of the year, which the students found it very helpful for their projects.

Later Mrs A.V.Vahini Branch Counselor IEEE MVSR SB gave the SB’s progress in the current year and its real impact on the society and students.

Followed later was a lunch break.....

After the lunch, the much awaited event of the day, The Ice breaking session was on its way. Students of all branches and all years turned up in large number to present their ideas, thoughts and most importantly their spontaneity to real world problems. At the end of the event the participants found it really refreshing. A soothe to their minds.

At the end of the day, there was a small celebration to bring joy and happiness on everyone's face with the sweetness of cake.
