**Venue: MVSR Engineering College Attendees: 400**

On January 23<sup>rd</sup> and 24<sup>th</sup> IEEE MVSR SB has organized a membership drive to impart the students of MVSR, about how IEEE plays a vital role in their growth as an Engineer and enhance their abilities as a student.

The drive was conducted on a large scale and many students were interested to attend it. Many speakers have addressed the crowd about the aim and intension of IEEE MVSR SB. They produced a brief of events previously done by the student body and its role in enhancement of a student profile.

The members of IEEE were always bolstered for all their ideas. They were encouraged for their new thoughts and enhanced their leadership skills during any event. The new comers were welcomed and guided by the other experienced members. The members of IEEE MVSR SB shared their experience.

It may be a workshop or a lecture or any other IEEE event, a student who has attended it, definitely feels its content to have a practical outcome and it acts as an add-on to their profile. The student's abilities are always groomed in such a case. The students who have attended the event and experienced it expressed their feeling to the attendees.

A power point presentation was given by the student branch counselor Dr.D.Hari Krishna regarding the benefits joining IEEE and the achievements of the IEEE-MVSR Student Branch, The principal of our college and WIE advisor of IEEE-MVSR-SB Mrs. Dr. G. Kanaka Durga and our Ex-Student branch counselor Mrs. A.V.Vahini addressed the gathering on the first day and on the second day of the drive student branch advisor Mr.Ashwin Kumar motivated the students by giving an informative speech on IEEE. It was a two days membership drive; a crowd of 400 students was present for two days. And a lot of students started showing interest joining IEEE.
