ABOUT IEEE

IEEE was formed in 1963 from the amalgamation of the American Institute of Electrical Engineers and the Institute of Radio Engineers. Today, it is the world's largest association of technical professionals with more than 420,000 members in over 160 countries around the world. Its objectives are the educational and technical advancement of electrical and electronic engineering, telecommunications, computer engineering and allied disciplines.

ABOUT DEPARTMENT OF CSE

Computer Science and Engineering Department was started in the year 1985. The current intake is 180 for U.G. and 18 for P.G.. The department has well qualified and experienced staff. Apart from the regular academic work, the department organizes guest lectures inviting expert speakers from industry and other reputed academic institutions. The college is a Institution member of IEEE, ISTE, CSI and many more professional bodies. BE (CSE) of the Department has been accredited by NBA in 2002, 2007 and 2014. M.Tech (CSE) of the Department has been introduced in 2010.

IEEE-MVSR Student Branch which started as an elite group 4 years ago and has sprawled throughout the campus of MVSR, making students technically more competitive, professional, and enhancing their abilities as engineers. It continues to grow as a professional team and acts as the driving force behind providing technical expertise and innovation amongst all its members. As a group, we encourage global participation and pursue the ongoing advancement and promotion of new concepts.

PREAMBLE

Analytics Plays important role in present day Data world. Analytics with R utilizes the open source software R for the analysis, exploration, and simplification of large high-dimensional data sets. The program provides hands on R tool, guidance to model and interpret complicated data and become adept at building powerful models for prediction.

ELIGIBILITY

The workshop is open **ONLY** for the faculty of Osmania University Affiliated Engineering Colleges.

SCHEDULE

- Introduction to Analytics (10:00am - 11:30am)
- Importance of R (11:45am - 12:00pm)
- Basics of R (12:00pm - 12:30pm)
- Installation (12:30pm - 01:00pm)
