

## Theme: Advancing Technology for Humanity

IEEE Students' Technology Symposium is an annual event organized by IEEE Student Branch at IIT Kharagpur and IEEE Kharagpur Section. The second version of the event will host oral and poster sessions showcasing original contributions from students and young professionals, with subsequent publications through IEEEExplore Digital Library. The bouquet also includes exciting opportunities from some of the technological giants. Be here as part of the symposium to know about your peers in technological advancement, and learn the trade from veterans.

### Call for Papers

Submissions are invited as full papers for presentations in the following tracks:

- **Communication Systems**
- **Image and Multidimensional Signal Processing**
- **Micro Electro-Mechanical Systems, Electron Devices and Sensors**
- **Pattern Analysis and Machine Intelligence**
- **Power and Control Systems**
- **VLSI Design and Automation**
- **Web, Multimedia, Computers and Embedded Systems**

### Theme Awards and Recognition

Nominate your submission for any two of the following award categories:

- **Engineering in Medicine and Biology**
- **Women in Engineering**
- **Human Computer Interaction**
- **Technology in Education**

### Manuscript Submission

Manuscripts are to be prepared according to IEEE two-column conference format in letter-paper. All final manuscript should have a page length up to 6 pages including figures, tables and references. All submissions are handled electronically via the conference management portal <https://cmt2.research.microsoft.com/TECHSYM2011/>

Reviewing criteria for the symposium is double-blind. In submitting a manuscript to IEEE TechSym 2011, authors acknowledge that no paper substantially similar in content has been or will be submitted to another symposium, conference or workshop during the review period (14 September 2010 - 7 November 2010)

### Tutorials, Workshops, Demos and Exhibits

In addition to the main technical program, the conference will host full-day and half-day tutorials, workshops, short courses, demonstrations and exhibitions on current topics. Submit proposals to:

Vijaya Sankara Rao P [vijaysankar@ieee.org]

### Important Dates

Regular Paper Submission  
**28 September 2010**  
(Hard Extension)

Acceptance Notification  
**7 November 2010**

Early Registration  
**21 November 2010**

Camera Ready Submission  
**7 December 2010**

Tutorials and Workshops  
Proposal Submission  
~~14 September 2010~~
