Abstract
IEEE Students' Technology Symposium is an annual event organized by IEEE Student Branch of IIT Kharagpur and IEEE Kharagpur Section. The third version of the event will host oral and poster sessions showcasing original contributions from students and young professionals. Conference content will be submitted for inclusion into IEEE Xplore as well as other Abstracting and Indexing (A&I) databases. The bouquet also includes exciting opportunities from some of the technological giants. Be here as part of the symposium to know about your peers in technological advancement, and learn the trade from veterans.
