The screenshot shows the IEEE website homepage. At the top right, there is a navigation bar with links for 'Shop', 'Join', 'myIEEE', 'Contact Us', 'Sitemap', and 'IEEE Xplore'. The 'Join' link is circled in red, and a red box with the Japanese word 'クリック' (Click) and an arrow points to it. Below the navigation bar is a search bar with a 'Search' button and radio buttons for 'IEEE (Google)' and 'IEEE (Ultrasseek)'. A horizontal menu contains various categories: 'About Us', 'Membership', 'Publications', 'Conferences', 'Standards', 'Careers', 'Education', 'Volunteers', 'Societies', and 'Geographic Activities'. The main content area features a large banner with three images (power lines, a person working, and fiber optics) and the text 'we are IEEE'. Below the banner are links for 'Join IEEE', 'Member Benefits', and 'Login to myIEEE'. To the right of the banner is a search box for the IEEE Xplore digital library. Below the banner is a navigation bar with four tabs: 'IEEE News', 'Inside IEEE', 'Product Highlights', and 'What do you want to do?'. The 'What do you want to do?' tab is active, showing a list of links: 'Renew membership', 'Join an IEEE society', 'Set up IEEE Web account', 'Log in to My Account', 'Find an IEEE standard', 'Get member e-mail alias', 'View IEEE.tv', 'Obtain member insurance', 'Locate a job', and 'Find student resources'. The main content area is divided into four columns. The first column contains 'IEEE Members Select John Vig 2008', 'IEEE President-Elect', and 'New Journal Issues Now Available in IEEE Xplore® Digital Library'. The second column contains 'Conferences, Meetings and Events', 'Education', and 'Education Partners'. The third column contains 'IEEE Power & Energy Library' and 'IEEE/IET Electronic Library'. The fourth column contains the 'What do you want to do?' list of links.

JOIN IEEE

Join the World's Largest Technical Professional Association.

Join IEEE today and get all the [benefits](#) of IEEE membership.

[Join IEEE as a Professional Member >>](#) Membership in the IEEE is open to individuals who by education or experience give evidence of competence in an IEEE designated field of interest. The designated fields are, in broad terms: Engineering, Computer Science and Information Technology, Physical Sciences, Biological and Medical Sciences, Mathematics, Technical Communications, Education, Management, Law, and Policy.

[Join IEEE as a Student Member >>](#) By continuing you acknowledge that you carry at least 50% of a ~~full time academic~~ program/course of study in an IEEE Designated field of interest. (undergraduate or graduate).

[Join an IEEE Society >>](#) Customize and add value to your IEEE Membership by joining one or more of the 39 IEEE Societies. With your society membership, you can stay on top of your chosen technology, keep in touch with your peers, and invest in your career and profession.

Joining online is convenient using your credit card. We accept Visa, Master Card, Diners Club, and
