

IEEE UKRI Student Congress 2007

The IEEE University of York Student Branch will organize the IEEE UKRI Student Congress on June 1-3, 2007.

This is a platform where the engineers of tomorrow will see the future of engineering and technology through the eyes of the experienced professionals today.

*Join your colleagues in a beautiful campus for an exciting weekend
of exploring the wonders of the technologies.*

Listen to technical talks from distinguished senior IEEE members.

Meet the biggest global players in the IT and open your career gate.

Breathe in the two thousand years history of the gorgeous city York.
