

### **Request for EMC Society Co-sponsorship**

- 1) Provide the following:
  - a) Name of conference:
  - b) Location:
  - c) Date: Program committee (Chair, Vice Chair, Treasurer, Secretary)  
Please attach the Call for Papers announcement
- 2) State the technical areas addressed by the conference program including the preliminary call for papers or technical program.
- 3) Provide associations with the IEEE EMCS including membership of the organizers and the IEEE EMCS chapter involved.
- 4) Are there any other sponsors?
- 5) If the conference is part of a series that has been held previously, what was the most recent conference, and how many participants attended? Is a conference record or proceedings of the previous conference available?
- 6) Has the IEEE EMCS been a sponsor or co-sponsor of any previous conferences in the past 5 years and including last year?
- 7) Are there any other EMC related conferences being conducted within 30 days of this event (30 days before or after)? Are any of these IEEE sponsored events? Would there be a conflict and if not, why not?
- 8) Is there any involvement from the local EMC Chapter or section/region? Has the region and section been informed of the event referenced here?
- 9) What is the language of the conference?
- 10) Will the EMCS technical committees be asked to review the papers? If so, when will paper reviews be conducted?
