

INTERTECH 2010 INTERIM REPORT
PRESENTED AT IEEE EDSOC ADCOM OCTOBER 2009

We received 468 papers and 366 were approved. A large number of papers from Europe followed by Brazil, South America and USA. The workshops are being examined by the board committee and we already confirmed the keynote speaker Prof. Claudio Borri former President of SEFI and IFEES, and invited people for a round table about Iberian America Engineering Education. We hope to confirm Susan Lord in a Plenary Session and also the presence of other members of IEEE-EdCom who are at the committee level.

Our Committees are:
