

Sat. 29 Oct.	Schweitzer	Cassin	Curie 1	Curie 2	Madrid	Londres	Schuman	Churchill	Etoile	Amsterdam	Varsovie	Hall Rhin		Main Entrance	
08:30-17:00			SC1 - Neutron Detection	SC2 - Integrated Circuits for Detector Signal Processing										07:30-09:30 15:30-18:30 Registration	
Sun. 30 Oct.	Schweitzer	Cassin	Curie 1	Curie 2	Madrid	Londres	Schuman	Churchill	Etoile	Amsterdam	Varsovie	Hall Rhin		Main Entrance	
08:30-17:00			SC3 - Advanced Photodetectors	SC4: RTSD: Materials, crystal growth, technology	WS2 - Detectors for Ultra-Rare Event Processes	WS1 - Instrumentation and Measurement in Nuclear Environments								07:30-18:30 Registration	
Mon. 31 Oct.	Schweitzer	Cassin	Curie 1	Curie 2	Madrid	Londres	Schuman	Churchill	Etoile	Amsterdam	Varsovie	Hall Rhin	Off-site	Main Entrance	
08:00-10:00	N01: NSS Opening Plenary I		08:30-17:00 SC5D1 - Medical Image Reconstruction	08:30-17:00 SC6 - Image Quality and Statistical Analysis			R01: RTSD Opening							07:30-18:30 Registration	
10:30-12:00	N02: NSS Opening Plenary II							R02: Applications1							
14:00-16:00								R03: Pixel Detectors		N03-N10: NSS Poster Session I					
16:30-18:30	N11: Scintillators I: Crystal growth						N12: High energy physics instrumentation I: Silicon	N13: Neutron detectors : Thermal Neutron Convertors	R04: Crystal Growth	N14: Synchrotron radiation and FEL instrumentation I					
19:00-21:00												NSS Dinner Pavillon Joséphine			
Tue. 1 Nov.	Schweitzer	Cassin	Curie 1	Curie 2	Madrid	Londres	Schuman	Churchill	Etoile	Amsterdam	Varsovie	Hall Rhin	Off-site	Main Entrance	
08:00-10:00		N15: Scintillators II: Fundamentals & Light collection	08:30-17:00 SC5D2 - Medical Image Reconstruction	N18: Photodetectors I	N16: Instr. for Security I: Active and Imaging	N17: Data acquisition, trigger and analysis I	R05: Materials1	08:30-17:00 SC7 - Biology for Imaging Scientists			A11 - Academia Industry Matching Forum I			07:30-18:30 Registration	
10:30-12:00		N19: Circuits for readout of pixel detectors in photon science		N22: Gaseous detectors I: Development of Techniques I	N20: Nuclear Physics Instrumentation I: Measurements and New Techniques	N21: Calorimetry I - Calorimeters in lower-energy Experiments	R06: RTSD Award				A12- Academia Industry Matching Forum II				
12:30-13:30						NSSRC1 - Plasma wakefield acceleration									RTSD Lunch Maison Kammerzel
14:00-16:00											N23-N31: NSS Poster Session II		Exhibitor Technical Sessions		Industrial Exhibition
16:30-18:30		N32: Photodetectors II		N35: Accelerator technologies and beam line instrumentation I	N33: Neutron detectors : Thermal Capture Scintillation Detectors	N34: Data acquisition, trigger and analysis II (HEP)	R07: Imaging1				Exhibitor Technical Sessions				
19:00-21:00												Exhibitor Reception			
Wed. 2 Nov.	Schweitzer	Cassin	Curie 1	Curie 2	Madrid	Londres	Schuman	Churchill	Etoile	Amsterdam	Varsovie	Hall Rhin	Foyers	Main Entrance	
08:00-10:00	M01: MIC Plenary 1		N38: Simulation and prototyping for detector development I	N39: Circuits for readout of pixel and strip detectors in HEP and nuclear physics	N36: Scintillators III: Characterization	N37: Astrophysics and space I	R08: Neutron Detectors							07:30-18:30 Registration	
10:30-12:00	J01: Joint Session 1: MIC-NSS-RTSD	M02: Parametric Imaging / kinetic modeling	N41: New concepts in solid-state detectors and radiation damage effects I		N40: Calorimetry II - Radiation-hard Calorimeters										
12:30-13:30		MICRC1 - Image processing, image quality and parametric imaging			NSSRC2 - Triggerless readout architecture				12:15-13:45 Gate Users Meeting				Industrial Exhibition		
14:00-16:00	J02: NSS/MIC Joint Session 2: Hadrontherapy	M03: Quantitative imaging techniques & image analysis I	N43: New concepts in solid-state detectors and radiation damage effects II		N42: High energy physics instrumentation II					R09: RTSD Poster Session			Exhibitor Technical Sessions		
16:30-18:30			N46: Astrophysics and space II	N47: Circuits for readout of SiPM and timing	N44: Calorimetry III - High Granularity Calorimeters	N45: Gaseous detectors II: Development of Techniques II	R10: Detector Devices1			M04: MIC Poster Session 1			Exhibitor Technical Sessions		
19:30-22:00													Conference Reception		

Thu. 3 Nov.	Schweitzer	Cassin	Curie 1	Curie 2	Madrid	Londres	Schuman		Etoile	Amsterdam	Varsovie	Hall Rhin	Hilton	Main Entrance	
08:00-10:00	M05: MIC Plenary 2		N50: Advanced computing and software for experiments I	N51: Circuits for triggering and calorimetry readout	N48: High energy physics instrumentation III	N49: Synchrotron radiation and FEL instrumentation II	R11: Defects1				Exhibitor Technical Sessions			07:30-18:30 Registration	
10:30-12:00	M06: Pre-clinical (small animal) emission/ multimodality imaging I	M07: Quantitative imaging techniques & image analysis II	N53: New concepts in solid-state detectors and radiation damage effects III	N54: Instrumentation for Security II		N52: Scintillators IV: Timing properties	R12: Special Tribute to Paul Siffert				Exhibitor Technical Sessions	09:00-16:00 Industrial Exhibition			
12:30-13:30		12:15-13:45 MICSSS - MIC scientific summary session			NSSRC3 - TCAD - simulation and the implementation of radiation damage in silicon detectors					12:00-14:00 Women in Engineering (WIE)					
14:00-16:00	M08: New radiation detectors / technologies for medical imaging I	M09: Image reconstruction techniques I	N57: Photodetectors III	N58: Gaseous detectors III: Applications in Large Experiments	N55: New concepts in solid-state detectors and radiation damage effects IV	N56: Instrumentation for experimental reactors and nuclear power plants I	R13: Imaging2								
16:30-18:30			N61: Simulation and prototyping for detector development II	N62: Neutron detectors : Semiconductor Devices and Neutron Sources	N59: Instrumentation for Security III	N60: Scintillators V: Applications	R14: Detector Devices2		M10: MIC Poster Session II						
19:00-21:00											18:30-20:30 STIR Users' & Developers' Meeting		19:00-22:00 Young Professionals Session		
Fri. 4 Nov	Schweitzer	Cassin	Curie 1	Curie 2	Madrid	Londres	Schuman	Galerie De Berckheim	Etoile	Amsterdam	Varsovie	Hall Rhin	Off-site	Main Entrance	
08:00-10:00	M12: Pre-clinical (small animal) emission/ multimodality imaging II	M11: CT imaging technologies	N64: Nuclear Physics Instrumentation II: Experiments		N63: Data acquisition, trigger and analysis III	WS3 - Workshop on the Technology Frontier for Single Photon Detection and Advanced Scintillator Timing	R15: Materials2							07:30-12:30 Registration	
10:30-12:00			NCP: NSS Closing Plenary				R16: Defects2		M13: MIC Poster Session III						
12:30-13:30		MICRC2 - Image reconstruction							12:00-13:00 NSS Social Hour						
14:00-16:00	M14: New radiation detectors / technologies for medical imaging II	M15: Image reconstruction techniques II										ATTRACT/ ERDIT symposium			
16:30-18:30									M16: MIC Poster Session IV						
19:00-21:00													MIC Dinner Palais Universitaire		
Sat. 5 Nov.	Schweitzer	Cassin	Curie 1	Curie 2	Madrid	Londres	Schuman		Etoile	Amsterdam	Varsovie	Hall Rhin		Main Entrance	
07:30-08:25		MICRC3 - Detector and hardware design									ATTRACT/ ERDIT symposium			07:30-09:00 Registration	
08:00-10:00	M17: Application specific emission imaging	M18: Radiotherapy imaging and dosimetry													
10:30-12:00	M19: Assessment & comparison of image quality	M20: Other imaging modalities													
13:00-16:30
