

## **F05D - Damped AC Voltage Testing**

**3.30- 5.30 pm, Tuesday, October 28th, 2008  
Bowie C**

### **Agenda**

1. Welcome, by Ed Gulski
2. Preparation of Scope and Mission Statement for F05D
3. Contributions about application of damped AC voltages methods description and experiences,
  - manufacturers: Eberhard Lemke, Frank Petzold
  - utilities: Frank de Vries
4. Discussion
5. Future activities, task allotments
6. Closure
