

## **Malaysia received Outstanding Chapter Award from IEEE Power Engineering Society at Pittsburgh, USA**

Every year, the Institute of Electrical and Electronic Engineers (IEEE) Power Engineering Society (PES) confers the Outstanding Chapter Award (OCA) to one of its chapter (branch) that is judged as having provided its members with the best overall set of technical and societal activities. This year, IEEE PES Malaysia has been selected as the winner of the award from a total of 174 small chapters around the world.

The award presentation was made on the 22nd of July 2008 at the IEEE PES General Meeting in Pittsburgh, USA. Associate Prof. Ir. Dr. Zahrul Faizi bin Hussien (Chapter Chair 2008) accepted the award on behalf of the IEEE PES Malaysia. The Award signifies recognition by IEEE, the world's leading professional association for engineering and technology towards IEEE PES Malaysia Chapter.

Malaysia now stands among the recipients of the Outstanding Chapter Awards. Some previous recipients are as follows; Richland, US (2007), Romania (2006), Panama & Uruguay (2005), Calcutta (2004), Russia (2003), Madras (2002), Western Australia (2001) and Delhi (2000).
