

**General Chair:**

Dr. Pragasen Pillay  
Concordia University

**Steering Committee:**

Dr. Amir Aghdam  
Concordia University  
Dr. Geza Joos  
McGill University  
Dr. Anader Benyamin-Seeyar  
IEEE Montreal  
Dr. Wahab Almuhtadi  
Algonquin College

**Technical Program Co-Chairs:**

Dr. Sheldon Williamson  
Concordia University  
Dr. Arezki Merkhof  
IREQ  
Dr. Laurent Lamarre  
IREQ  
Dr. Branislav Djokic  
NRC- National Research Council Canada  
Dr. Kamal Al-Haddad  
ETS  
Dr. Fidele Moupfouma  
Bombardier

**Joint Secretaries:**

Mr. Reinaldo Tonkoski  
Concordia University  
Mr. Chirag Desai  
Concordia University

**Project Management:**

Dr. Anader Benyamin-Seeyar  
IEEE Montreal  
Mr. Nazih Khaddaj Mallat  
INRS

**Registration/Publication:**

Mrs. Preeti Raman  
Mr. Eric Germain  
ETS

**Local Arrangement:**

Mr. Jean-Claude Latortue  
Dr. Ke Wu  
Ecole Polytechnique

**Publicity Chairs:**

Mr. Raed Abdullah  
IEEE Ottawa Section  
Mr. Eric Germain  
ETS

**Panel/Invited/Special Session Chairs:**

Dr. Luiz Lopes  
Concordia University

**Sponsorship and Exhibition:**

Mr. John Grefford  
DCC-CDC  
Dr. Arezki Merkhof  
IREQ

**Student Activities:**

Dr. Pouya Valizadeh  
Concordia University

**Treasurer:**

Mr. Shauheen Zahirazami  
Concordia University

**Webmasters:**

Mr. Tarun Dhot  
Concordia University  
Mr. Kian Jalaeddini  
Concordia University

IEEE Canada

## CALL FOR PAPERS

*IEEE Canada*

**3<sup>rd</sup> Annual Electrical Power and Energy Conference**  
**October 22-23, 2009, Montreal, Quebec, Canada**

### SUSTAINABLE / RENEWABLE ENERGY SYSTEMS AND TECHNOLOGIES

The theme for the 3rd Annual IEEE Canada Electrical Power and Energy Conference is “Sustainable/Renewable Energy Systems and Technologies”. This year’s conference will host academics, consumers, industries, and governments, to showcase research and advancement in the technological areas of solar, wind, tidal, hydrogen, biomass, and electric/hybrid electric vehicles. The 2-day event will feature keynote dialogues with simultaneous special presentations, workshops, and tutorials.

#### Topics of interest include, but are not restricted to:

- |                          |                                     |
|--------------------------|-------------------------------------|
| • Solar Power            | • Energy Storage                    |
| • Ethanol Power          | • Energy Management                 |
| • Hydrogen Power         | • Wind Power                        |
| • Biomass Power          | • Energy Systems for Buildings      |
| • Small Hydro Power      | • Urban Environment                 |
| • Fuel Cells             | • Electric/Hybrid Electric Vehicles |
| • Wave/Tidal Power       | • Energy Conservation               |
| • Novel Power Generation | • Technology Trends                 |

#### DEADLINE FOR SUBMISSION:

Deadline for submitting extended abstracts: **July 6, 2009**

Notification of paper acceptance: **August 10, 2009**

Submission of camera-ready paper (6 pages): **September 7, 2009**

#### NOTES:

Extended abstract: Minimum length of extended abstract should be 2500 words, i.e. minimum 3 pages in IEEE PES format: body text font size 10, single-spaced, double-column format, on 8.5×11 inch letter size paper.

Submission of a maximum of 2 papers per author/coauthor is allowed. The submitted extended abstracts will go through a peer review process. The final version of the accepted paper will be included in the EPEC 2009 conference proceedings and published in the *IEEE Xplore* database, provided the paper is fully registered for and presented in person at the conference.

#### SPONSORS:

**IEEE Canada; IEEE Montreal Section; IEEE Ottawa Section.**
