

Membership Benefits

IEEE

Part of a Community

- Receive discounts on Society conferences and symposiums registration fees.
- Access to members of standards writing committees.
- Access to Newsletters, presentations, papers, and other resources restricted to society members.
- Address product safety engineering as an applied science.
- Access to IEEE resources & opportunities* (see slides 4 thru 6)
- Cooperative promotion and coordination of Product Safety Engineering activities with multiple IEEE Societies.
- Network with technical experts at local events and industry conferences.
- Have access to a virtual community forum for safety engineers and technical professionals.
- Camaraderie
- Help create a safer world for future generations

* Not applicable to affiliates.

IEEE

Professional Development

- Active standard development & interpretation
- Develop company & personal exposure to others in profession
- Education/refresher/staying up-to-date/latest trends
- Run for formal office and gain director experience
- Develop liaison with other IEEE disciplines
- A way to contribute - Teaching/papers/presentations/standards development
- Professional satisfaction & prestige (e.g. Awards, certificates)
- Interface/work with other engineering leaders
- Promote personal career path
- Build technical skills
- Actively volunteer and head committees
- Develop technical & presentation skills
- Develop technical career path by active TAC involvement
- Develop managerial credentials by leading committees, chairing sessions, etc.
- Find mentors and or mentor others
- Develop consultative skills & network

IEEE

IEEE Benefits: bringing together a trusted voice, global community, and profession

The IEEE is the world's largest technical society, bringing members access to the industry's most essential technical information, networking opportunities, career development tools, and many other exclusive benefits. *NOTE: These benefits are not available to affiliates.*

- IEEE memberNet - IEEE's online membership directory, connecting members worldwide. Offered as an exclusive benefit of membership.
- Microsoft Software Offer for IEEE Students - IEEE, in conjunction with Microsoft, is pleased to offer a wide selection of development software to IEEE Student members.
- E-book Archive - IEEE and Wiley Press offer members access to over 220 e-books via IEEE Xplore
- AskIEEE - A document delivery service providing papers and articles from thousands of publishers.
- What's New @ IEEE - 10 topics to choose from
- IEEE Xplore Digital Library - Table-of-Contents and Abstracts (1.2 million documents)
- IEEE Potentials Magazine - 6 issues (online)
- The Institute Newsletter - 12 monthly issues (4 print, 8 online)
- IEEE Spectrum Magazine - 12 monthly issues (print and/or online)
- IEEE.tv - internet-based broadcasting network delivering special-interest programming about technology and engineering

IEEE

IEEE Benefits continued

- IEEE Sections - network with others in the local member community
- Technical Chapters - engage with others through informative technical meetings
- IEEE e-mail Alias - with virus protection and spam filtering
- ShopIEEE Discounts - as much as 50% off IEEE products
- IEEE Conference - registration discounts
- Volunteering - opportunities that build leadership skills and networking opportunities
- myIEEE - members-only personalized gateway into IEEE membership
- IEEE Job Site - locate career opportunities easily and confidentially
- IEEE Mentoring Connection - an online program to foster mentoring relationships between IEEE members.
- Career Alert - a weekly email newsletter containing career advice plus the job of the week from the IEEE Job Site.
- Education Partners Program - up to a 10% discount on online degree programs
- Awards - recognize the accomplishments of your peers
- Scholarships - enhance your resume with an IEEE scholarship
- Consultants Database - a service available for matching technical consultants with clients
- Today's Engineer - monthly webzine devoted to the issues affecting IEEE member's careers
- IEEE Society - Customize and add value to your IEEE Membership by joining one or more of the 39 IEEE Societies
- IEEE Standards - Standards are what the IEEE is best known for

IEEE

IEEE Benefits continued

- IEEE Women in Engineering - Dedicated toward the advancement of women in technical and scientific professions
- Insurance Services - a wide selection of insurance products offered exclusively to IEEE members at very competitive rates.
- Financial Services - an array of financial services ranging from personal credit to retirement planning to help secure your personal success.
- Home & Office Services - receive discounts on products and services for your home or office
- Travel Services - dedicated to enhancing the overall travel experience for members and their families
- IEEE Member Digital Library - access to one million IEEE documents
- Proceedings of the IEEE - the leading authoritative resource for in-depth research, coverage, tutorial information and reviews of electrical and computer engineering technology.
