

The 2016(21st) International Conference
on
Artificial Life and Robotics
(ICAROB 2016)

Best Paper Award

Presented to

Ethan Green, Takashi Kohno

The 2016(21st) International Conference on
Artificial Life and Robotics
January 28-31, 2016, Okinawa Convention Center, Okinawa, Japan
for the Paper titled

*Compensating Temperature-Dependent
Characteristics of a Subthreshold-MOSFET
Analog Silicon Neuron*

January 31, 2016

Masanori Sugisaka

General Chair
Masanori Sugisaka

The 2016(21st) International Conference
on
Artificial Life and Robotics
(ICAROB 2016)

Best Paper Award

Presented to

Sho Yamauchi, Keiji Suzuki

The 2016(21st) International Conference on
Artificial Life and Robotics
January 28-31, 2016, Okinawa, Convention Center, Okinawa, Japan
for the Paper titled

*Conquest Oriented Robot
Knowing Its Own Availability*

January 31, 2016

Masanori Sugisaka

General Chair
Masanori Sugisaka

The 2016(21 st) International Conference
on
Artificial Life and Robotics
(ICAROB 2016)

Best Paper Award

Presented to

*Kuo-Hsien Hsia,
Bo-Yi Li, Kuo-Lan Su*

The 2016(21st) International Conference on
Artificial Life and Robotics
January 28-31, 2016, Okinawa Convention Center, Okinawa, Japan
for the Paper titled

*Task Assignment and Route Programming
for Pattern Reformation on Grid Plane*

January 31, 2016

Masanori Sugisaka

General Chair
Masanori Sugisaka

The 2016(21st) International Conference
on
Artificial Life and Robotics
(ICAROB 2016)

Best Paper Award

Presented to

Yi-Yin Tsai

The 2016(21st) International Conference on
Artificial Life and Robotics
January 28-31, 2016, Okinawa, Convention Center, Okinawa, Japan
for the Paper titled

*Development of Type Control Guidelines
for the Old Town District of Hsinchu City*

January 31, 2016

Masanori Sugisaka

General Chair
Masanori Sugisaka

The 2016(21st) International Conference
on
Artificial Life and Robotics
(ICAROB 2016)

Best Paper Award

Presented to

Wenling Li, Yingmin Jia

The 2016(21st) International Conference on
Artificial Life and Robotics
January 28-31, 2016, Okinawa Convention Center, Okinawa, Japan
for the Paper titled

*Global sensor selection for
maneuvering target tracking in clutter*

January 31, 2016

Masanori Sugisaka

General Chair
Masanori Sugisaka

The 2016(21st) International Conference
on
Artificial Life and Robotics
(ICAROB 2016)

Best Paper Award

Presented to

Lin Li, Heyang Wang

The 2016(21st) International Conference on
Artificial Life and Robotics
January 28-31, 2016, Okinawa Convention Center, Okinawa, Japan
for the Paper titled

*Adaptive Consensus via Dynamic
Feedback Control for Lipschitz
Nonlinear Multi-Agent Systems*

January 31, 2016

Masanori Sugisaka

General Chair
Masanori Sugisaka

The 2016(21st) International Conference
on
Artificial Life and Robotics
(ICAROB 2016)

Best Paper Award

Presented to

Ming-Chieh, Wang

The 2016(21st) International Conference on
Artificial Life and Robotics
January 28-31, 2016, Okinawa Convention Center, Okinawa, Japan
for the Paper titled

*Development of An Innovative
Design Process for Green Products*

January 31, 2016

Masanori Sugisaka

General Chair
Masanori Sugisaka
