March 26 - 28, 2019 • DoubleTree Resort • Scottsdale, AZ (USA)

## Sponsorship Opportunities

Dear Partner:

On behalf of the Executive Committee and the members of the Wearable Robotics Association (WearRA), the only professional organization dedicated to the wearable robotics industry, I am delighted to present the sponsor opportunities for **WearRAcon 19, taking place March 26 – 28, 2018 at the DoubleTree Resort** in Scottsdale, AZ (USA). Your presence at WearRAcon ensures that leaders from some of the most cutting edge companies developing wearable technologies worldwide will engage and learn from you.

WearRAcon provides the opportunity for our sponsors to meet with industry leaders and more importantly, meet with customers interested in purchasing new technology to improve productivity, worker safety, health, and more. Consider a sponsorship that allows a “spotlight demonstration” and a booth to exhibit your latest designs.

#### Why Participate and Support WearRAcon?

- Participate in a forum where people can understand your products
- Dive deep into industry trends
- Make high-level connections that will help you for years to come
- Meet the experts who are revolutionizing whole industries
- Shape the future of the wearable robotics industry

I'd like to set up a brief call to discuss sponsorship opportunities. Please let me know when it might be convenient for me to do so.

Thank you and I hope you'll consider joining us in Arizona!

**Joseph K. Hitt, Ph.D.**  
Executive Director  
Wearable Robotics Association
