President's Report to SSIT Board of Governors
28 June 2008
University of New Brunswick, Fredericton, NB

I attended the June TAB meetings last week in Denver. An important issue for SSIT was the change in the way conference publications revenue is distributed. The current model is favorable to SSIT, but many societies are badly treated. The new model severely reduces SSIT's income. It will be phased in starting in 2010, which gives us time to adjust.

TAB passed a resolution recognizing Brian O'Connell.

Most of the meeting consisted of routine business. In November, SSIT will go before the TAB Finance Committee to update them on our plans for getting off the watch list. As many as 25 societies and councils have, or would have if they had not been able to access up to 3% of their reserves, negative budgets for 2009. TAB itself is anticipating a negative budget for 2009.

Since we have eliminated all expenses except the essentials, the only way we can achieve a balanced budget is to increase revenues. The way the Finance Committee puts it "to develop a new business model".

Treasurer's Report

Subject: Changes to Consitution and Bylaws

Everyone:

This may come too late for some of you as you have already started your travel to Fredericton. For those who have not, I am including the agenda with additional items and some additional changes to the Constitution and Bylaws.

Jerry Engel has suggested these changes or possible changes now, so that we can make them in one pass with the required changes.

Constitution

Article II: Should we continue to state "the engineering profession" given the wider membership of the IEEE?

Article V, Section 6: Propose electing the President to a two-year term instead of one year.

Article VII, Section 3: Remove the word "other" from last sentence as it is redundant.

Article VII, Sections 5 and 6: New forms reproduced in full. These are part of the required changes from the IEEE.

Section 5. A majority of the valid votes cast (not including abstentions) by those members of the BOG attending a meeting provided a quorum is present shall be necessary for the conduct of its business except as otherwise specified in this constitution. Normal voting procedures apply when a teleconference format is used whereby all participants hear the discussion. Individuals holding more than one position on the BOG or any committee thereof shall be limited to one vote on each matter being considered by the BOG or committee. Proxy voting is not allowed. The presiding officer of the BOG shall have no vote on the BOG except if the vote is by secret ballot or unless the Chair's vote can change the outcome of the vote.

Section 6. The BOG or any committee thereof may take action without a meeting if applicable (e.g., e-mail voting). An affirmative vote of a majority of all the voting members of the BOG or any committee thereof shall be required to approve the action. The results of the vote shall be confirmed promptly in writing or by electronic transmission. The writings and/or electronic transmissions shall be filed with the minutes of the proceedings of the BOG or any committee thereof. "Electronic transmission" means any form of electronic communication, such as e-mail, not directly involving the physical transmission of paper, that creates a record that may be retained, retrieved and reviewed by a recipient thereof, and that may be directly reproduced in paper form by such a recipient.

Article IX, Section 1: Delete "two-thirds" from second sentence so that a simple majority is required to change the bylaws.

Bylaws

Section 3.4: Change "until the next election by the members" to "for the remainder of the term"

Section 3.5: Change "for the month of December" to "in the last quarter"

Section 7.2: Change "one-year" to "two-year"

Section 8.0: Change "Meetings" to "Conference"

Section 12: Change "Meetings" to "Conferences" and "meetings" to "conferences" throughout

New Section 3.7: Remove "or without cause" in both paragraphs

I have asked for clarification from the IEEE as to how we may remove the appointed Board members since they are not addressed in the new requirements.

I hope that all those going to the conference travel safely. See you in Fredericton.

Regards

Janet
