| 21st International Conference on Magnet Technology  | MT-21                   | October 18 - 23, 2009             | Hefei, China             | Developments in magnet science and technology  | <a href="http://mt21.ipp.ac.cn/">http://mt21.ipp.ac.cn/</a>                              |
| 22nd International Symposium on Superconductivity   | ISS 2009                | November 02-04, 2009              | Tsukuba, Japan           | Advancements in the fields of superconductivity science and technology                         | <a href="http://www.istec.or.jp/ISS/">www.istec.or.jp/ISS/</a>                           |
| 2009 KEPRI - EPRI Joint Superconductivity Conference  | 9th EPRI SC Conference  | November 16-18, 2009              | Daejeon, Korea           | Development and applications of sc equipment for power delivery                                | <a href="http://www.2009kepri-epri.org">www.2009kepri-epri.org</a>                       |
| 2009 International Workshop on Coated Conductors for Applications   | CCA 2009                | November 22-24, 2009              | Barcelona, Spain         | Processing, characterization and application of coated conductors                              | <a href="http://www.icmab.es/cca2009/">www.icmab.es/cca2009/</a>                         |
| <b>2010</b>   |                         |                                   |                          |  |  |
| 2010 MRS Spring Meeting, Symposium L  | 2010 MRS Spring Meeting | April 05-09, 2010                 | San Francisco, USA       | Recent advances and discoveries in High-Temp. Superconductivity                                | <a href="http://www.mrs.org">www.mrs.org</a>   |
| International Conference on Superconductivity and Magnetism 2010  | ICSM 2010               | April 25 - 30, 2010               | Antalya, Turkey          | Recent advances in all major disciplines of superconductivity and magnetism                    | <a href="http://www.icsm2010.org">www.icsm2010.org</a>                                   |
| 11th Cryogenics 2010, IIR International Conference  | Cryogenics 2010         | April 26 - 29, 2010               | Bratislava, Slovakia     | Superconductivity, liquefaction and cryogenic physics  | <a href="http://www.icaris.cz/conf/Cryogenics2010">www.icaris.cz/conf/Cryogenics2010</a> |
| 12th International Ceramics Congress & 5th Forum on New Materials   | CIMTEC 2010             | June 06 - 11 & June 13 - 18, 2010 | Montecatini Terme, Italy | Magnetic and transport properties of oxides & Science and engineering of novel superconductors | <a href="http://www.cimtec-congress.org/2010/">www.cimtec-congress.org/2010/</a>         |

|  |  |                         |                        |   |  |

| International Cryogenic Engineering Conference 23 - Int. Cryogenic Materials Conference 2010 | ICEC 23 - ICMC 2010                      | July 19 - 23, 2010      | Wroclaw, Poland        | Recent developments in cryoengineering and cryogenic materials.   | <a href="http://www.icec-icmc.wroc.pl">www.icec-icmc.wroc.pl</a>   |
| 2010 Applied Superconductivity Conference  | ASC 2010                                 | August 01-06, 2010      | Washington DC, USA     | Highlighting the latest development in the field of superconductivity                                       | <a href="http://www.ascinc.org">www.ascinc.org</a>   |
| Materials Science & Technology 2010 Conference & Exhibition                                  | MS&T 2010                                | October 17 - 21, 2010   | Houston, Texas         | Symposium: Recent Developments in High Temperature Superconductivity  | <a href="http://matscitech.org/">http://matscitech.org/</a>  |
| 2009 International Workshop on Coated Conductors for Applications                            | CCA 2010                                 | October 28 - 30, 2010   | Fukuoka, Japan         | Processing, characterization and application of coated conductors   |  |
| 23rd International Symposium on Superconductivity  | ISS 2010                                 | November 01-03, 2010    | Tsukuba, Japan         | Advancements in the fields of superconductivity science and technology                                      |  |
| <b>2011</b>  |  |                         |                        |   |  |
| Cryogenic Engineering Conference and International Cryogenic Materials Conference 2011       | CEC-ICMC 2011                            | June 13 - 17, 2011      | Spokane WA, USA        | Presentations will cover all aspects of cryogenic engineering and materials                                 | <a href="http://www.cec-icmc.org">www.cec-icmc.org</a>   |
| 2011 European Conference on Applied Superconductivity. With: ISEC 2011 & ICMC 2011           | <b>EUCAS 2011</b><br>ISEC 2011 ICMC 2011 | September 18 - 23, 2011 | The Hague, Netherlands | Development in the field of superconductivity and applications; of sc. electronics & of cryogenic materials | <a href="http://www.eucas2011.org">www.eucas2011.org</a><br><a href="http://www.isec2011.org">www.isec2011.org</a><br><a href="http://www.icmc2011.org">www.icmc2011.org</a> |
