Minutes:

Meeting was called to order by Ivan VanDeWege. No agenda for this meeting so we are going freeform.

Note: Actions in Red

Old Business:

Ivan: Send a note to LinkedIn regarding good resources they have found

Team: Need to add develop discussion items on LinkedIn to keep interest up. Any ideas team? This is key!

Ivan: Forensic and Failure Analysis track need a leader to ensure papers are received, etc. for symposium. **Darren** (tentative) putting his name into the hat if things slow down a bit. Need to start working on it in next couple months due to deliverable due dates. May need a backup.

* Less than 500 IEEE members in China

Ivan talked of Garmin associate interested in PSES. She does product returns for Garmin automotive. Use her for leadership position? **Ivan** to ask her if she would like to help out with us.
