Ensuring IEEE Xplore Compliance:

All accepted papers must be IEEE Xplore compliant. To ensure that your file is fully compliant with IEEE Xplore, you must validate your paper with [IEEE PDF eXpress](#) using conference ID 42817X.

All errors identified by PDF eXpress must be corrected prior to final submission to the conference. Once your paper is free of errors, you will receive a pdf file from PDF eXpress with a name in the following format: PIDxxxxxx.pdf. This is the file that must be uploaded for your final submission.

Accessing PDF eXpress:

First-time users should do the following:

1. Select the New Users - Click Here link.
2. Enter the following:
 - 42817X for the Conference ID
 - Your email address
 - A password
3. Continue to enter information as prompted.
4. An Online confirmation will be displayed and an email confirmation will be sent verifying your account setup.

Previous users should follow the above steps, but using the same password as used for previous conferences, and should also verify that the contact information is valid.

Uploading the Final Version of Your Manuscript:

Please use the information you received in the acceptance email of your paper for uploading the IEEE Xplore compliant final version of your paper. The system will allow you to upload your file once, so please carefully check your final file before uploading it. Final papers must be submitted by March 16, 2018. The paper must be re-submitted even if the reviewers indicated that no changes are required. *Furthermore, the file to be submitted must be the one obtained from running IEEE PDF eXpress*, as this contains the IEEE Xplore compliance information.

Copyright Form:

After uploading the final version of your accepted paper, please complete the IEEE Copyright Form found [here](#). Send an email to the Publications Chair, Richard Allmendinger (richard.allmendinger AT manchester.ac.uk) with the subject line "Copyright Form for paper x", where x is your paper number, and attach the completed copyright form. You must complete and submit the IEEE Copyright Transfer form in order for your paper to be included in the conference proceedings.

Please use "**2018 IEEE Conference on Computational Intelligence in Bioinformatics and Computational Biology (CIBCB)**" as the IEEE PUBLICATION TITLE (Journal, Magazine, Conference, Book) in the copyright form.

Important Note: An accepted paper will be published in the proceedings only if the final version is accompanied by a full (non-student) registration for at least one of the authors.
