**Make sure your paper is accepted as Oral presentation**

The screenshot shows the EDAS submission interface. At the top, a green status bar indicates 'Accepted-Oral' with a notification email sent on Jan 11, 2021. Below this, there are three main sections: 'Poster upload', 'Review manuscript', and 'Your recorded presentation videos (MP4 format)'. Each section has an upload icon. The 'Review manuscript' section shows a table of uploaded documents with columns for 'Document (show)', 'Pages', 'File size', 'Changed', 'Check format / Report problem', and 'Delete'.
