Historical Membership Data Since August 1, 2007 of IEEE Toledo Section – Active and Arrear Members

Note: A Microsoft Excel version of these plots for details of the data is accessible at: https://ewh.ieee.org/conf/ius_2008/z_doc_misc/0_0_0_oper_toledo_membership_plots.xls

Notes

1) Data were obtained and analyzed from IEEE OU Analytics.

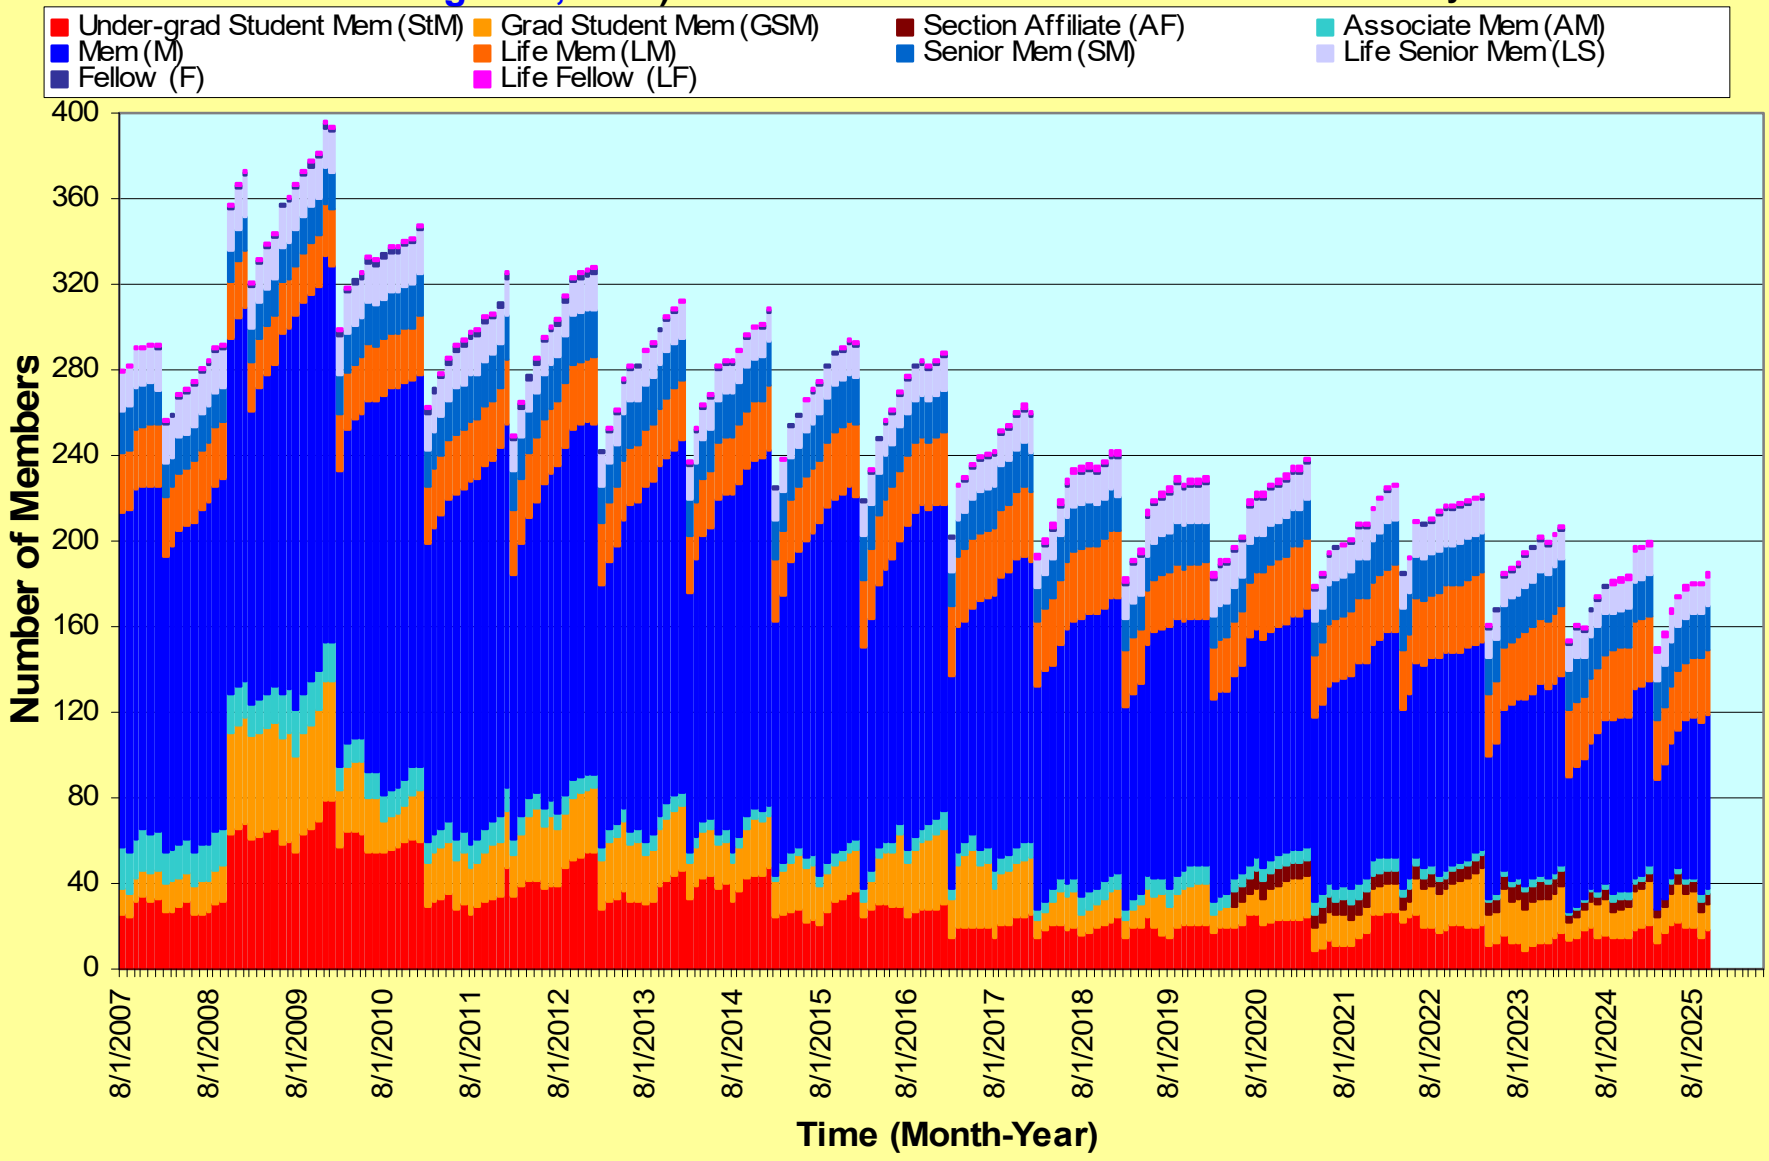
2) IEEE reporting data only goes back to 1972.

3) The breakout by the 10 Grade categories by IEEE started in 2008. Prior to 2008, data was only broken out by Affiliate, Student, and Higher Grade.

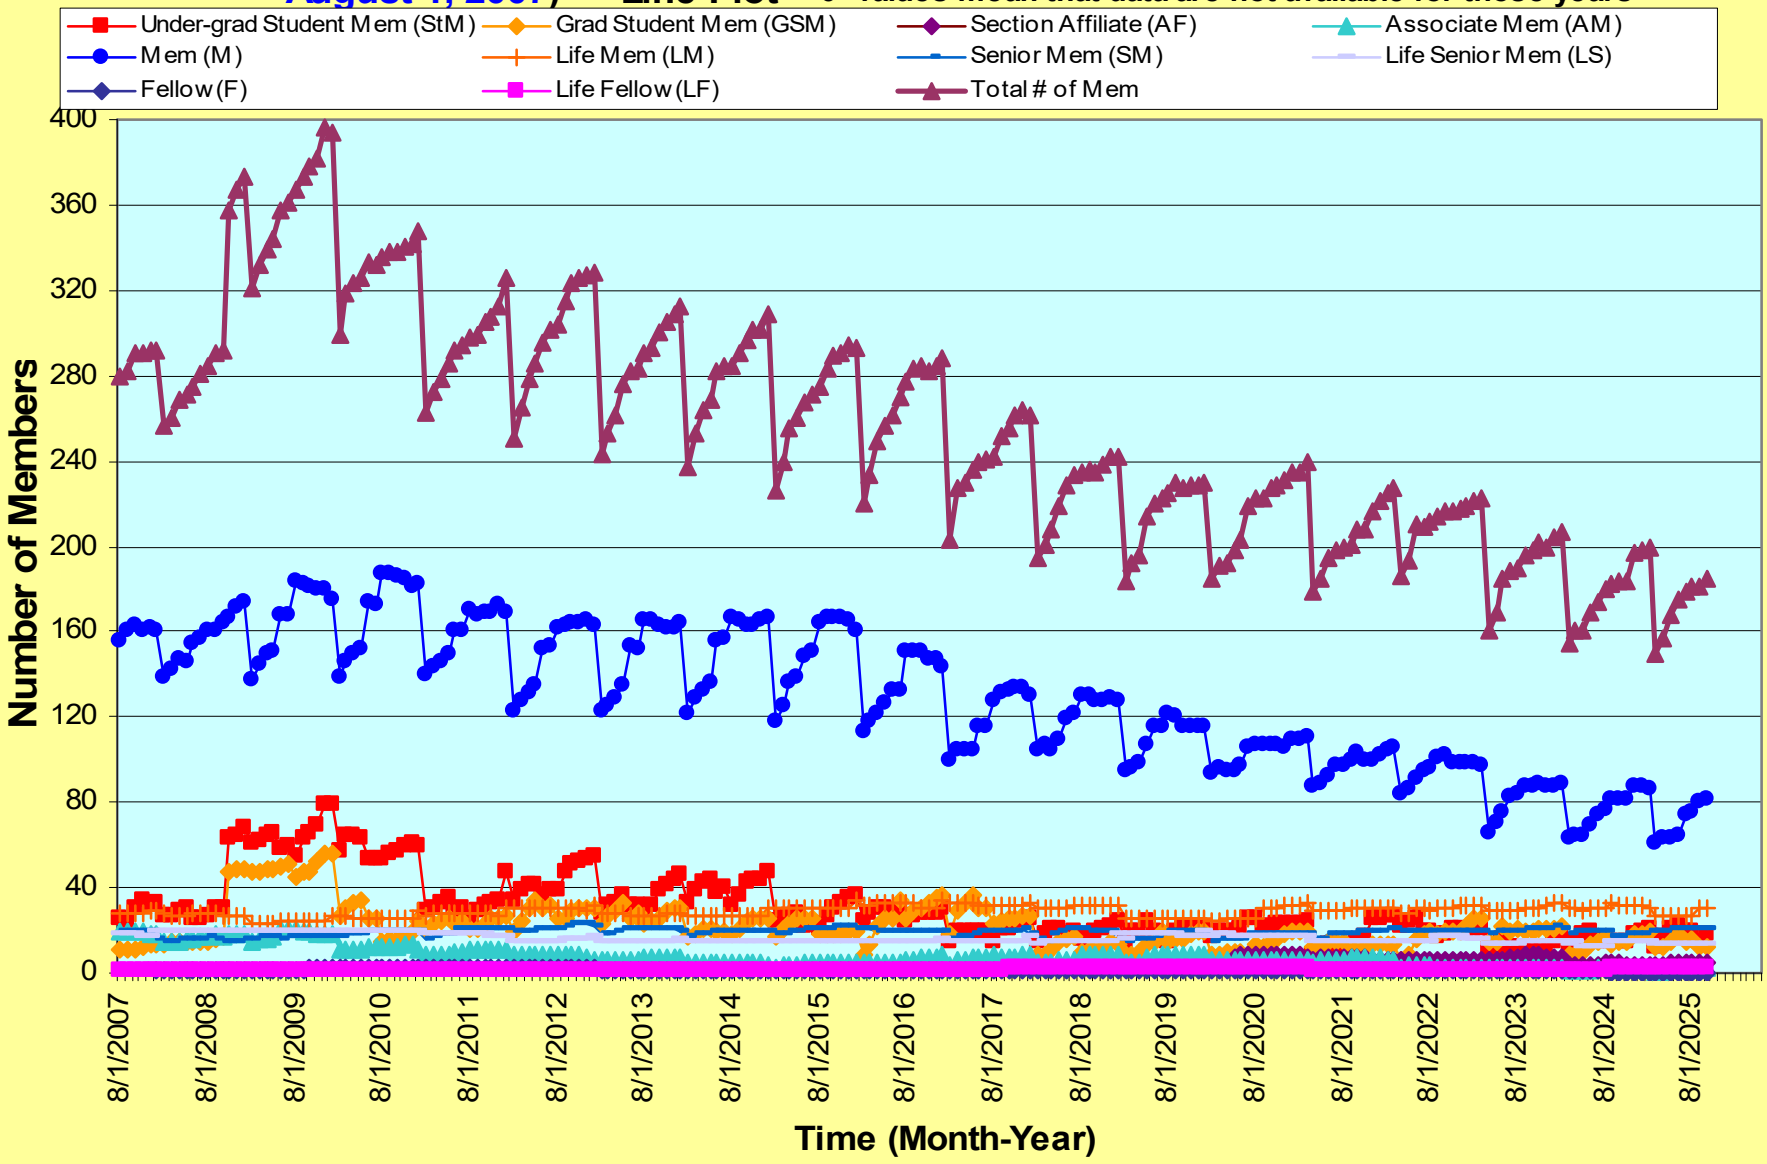
4) Before 2007, the Student Member category include both undergraduate (StM) and graduate (GSM) students. On 2007, GSM data was not available.

5) "Active" members are those who have paid membership dues for current year; "Arrear" members are those who were members last year but have not renewed for the current year; Members who were in Arrear status last year are "Inactive" Members.

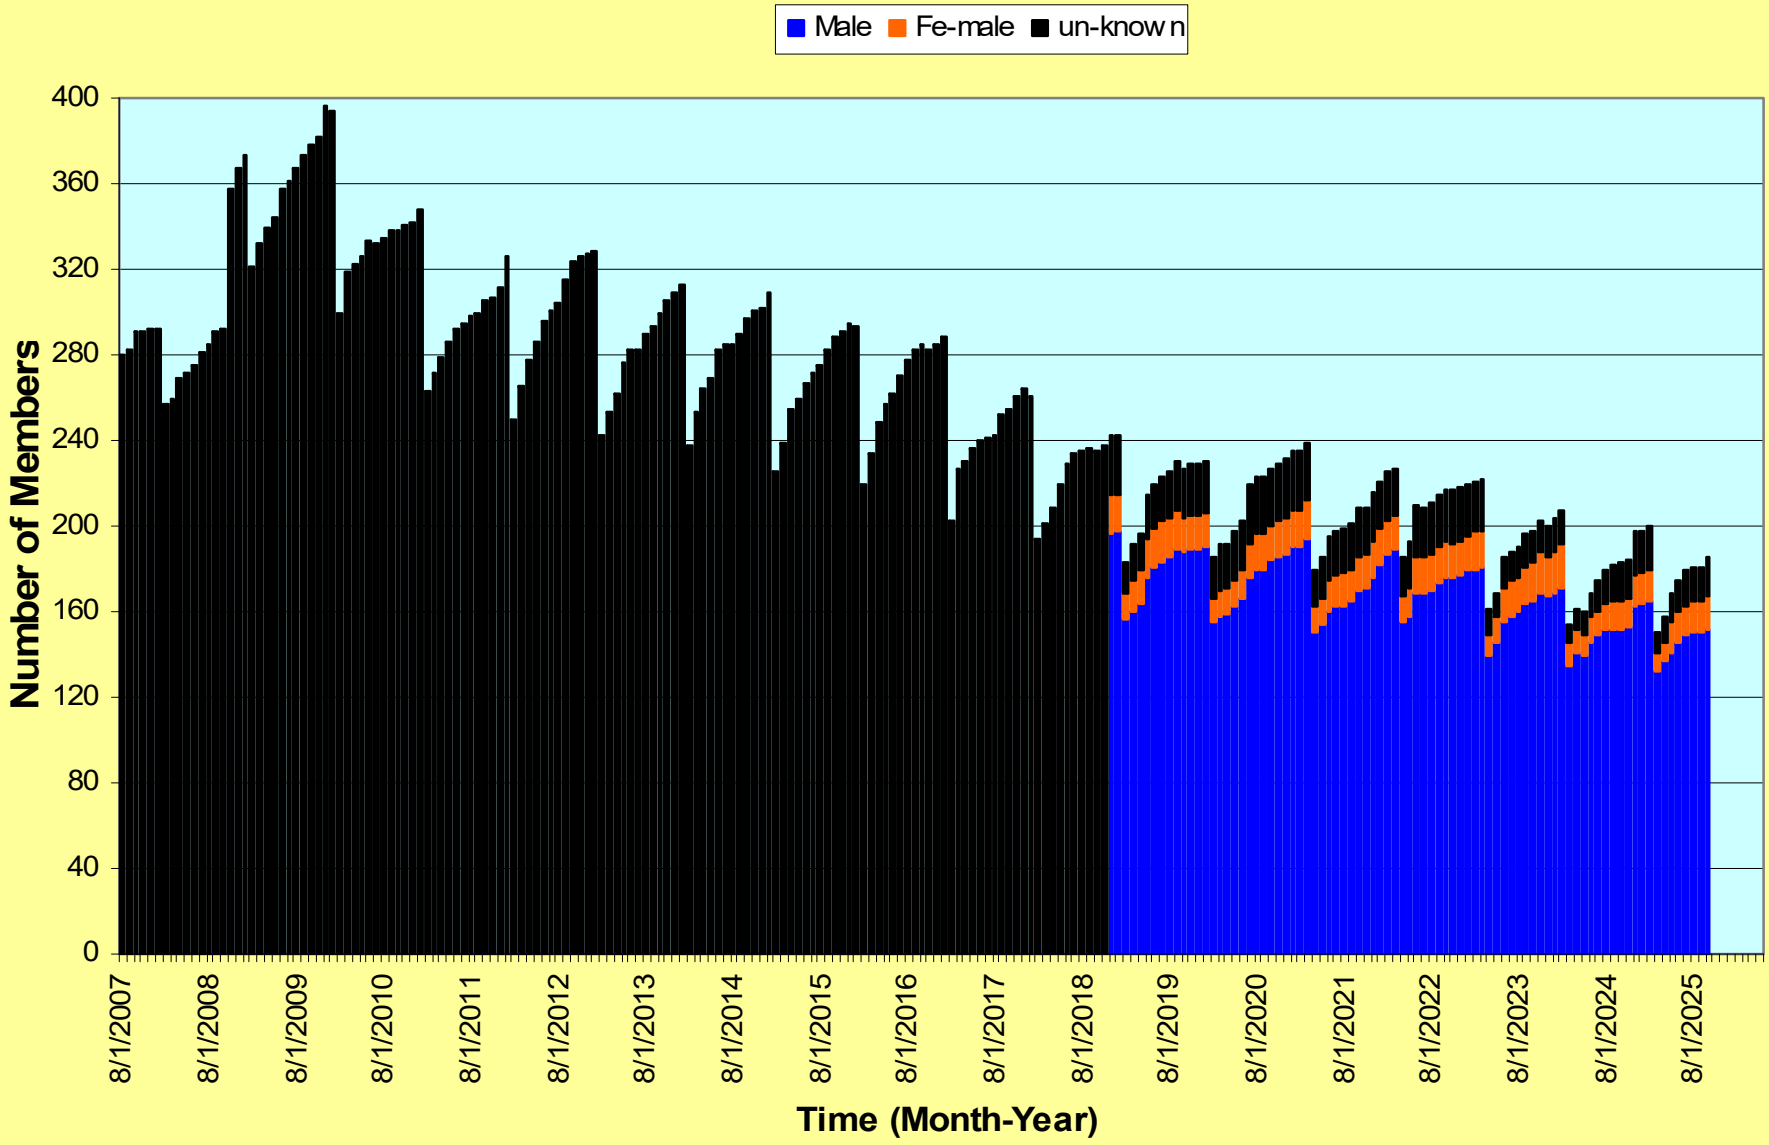
of Members (Active) of the IEEE Toledo Section by Grade Categories (Since August 1, 2007) - "0" values mean that data are not available for those years



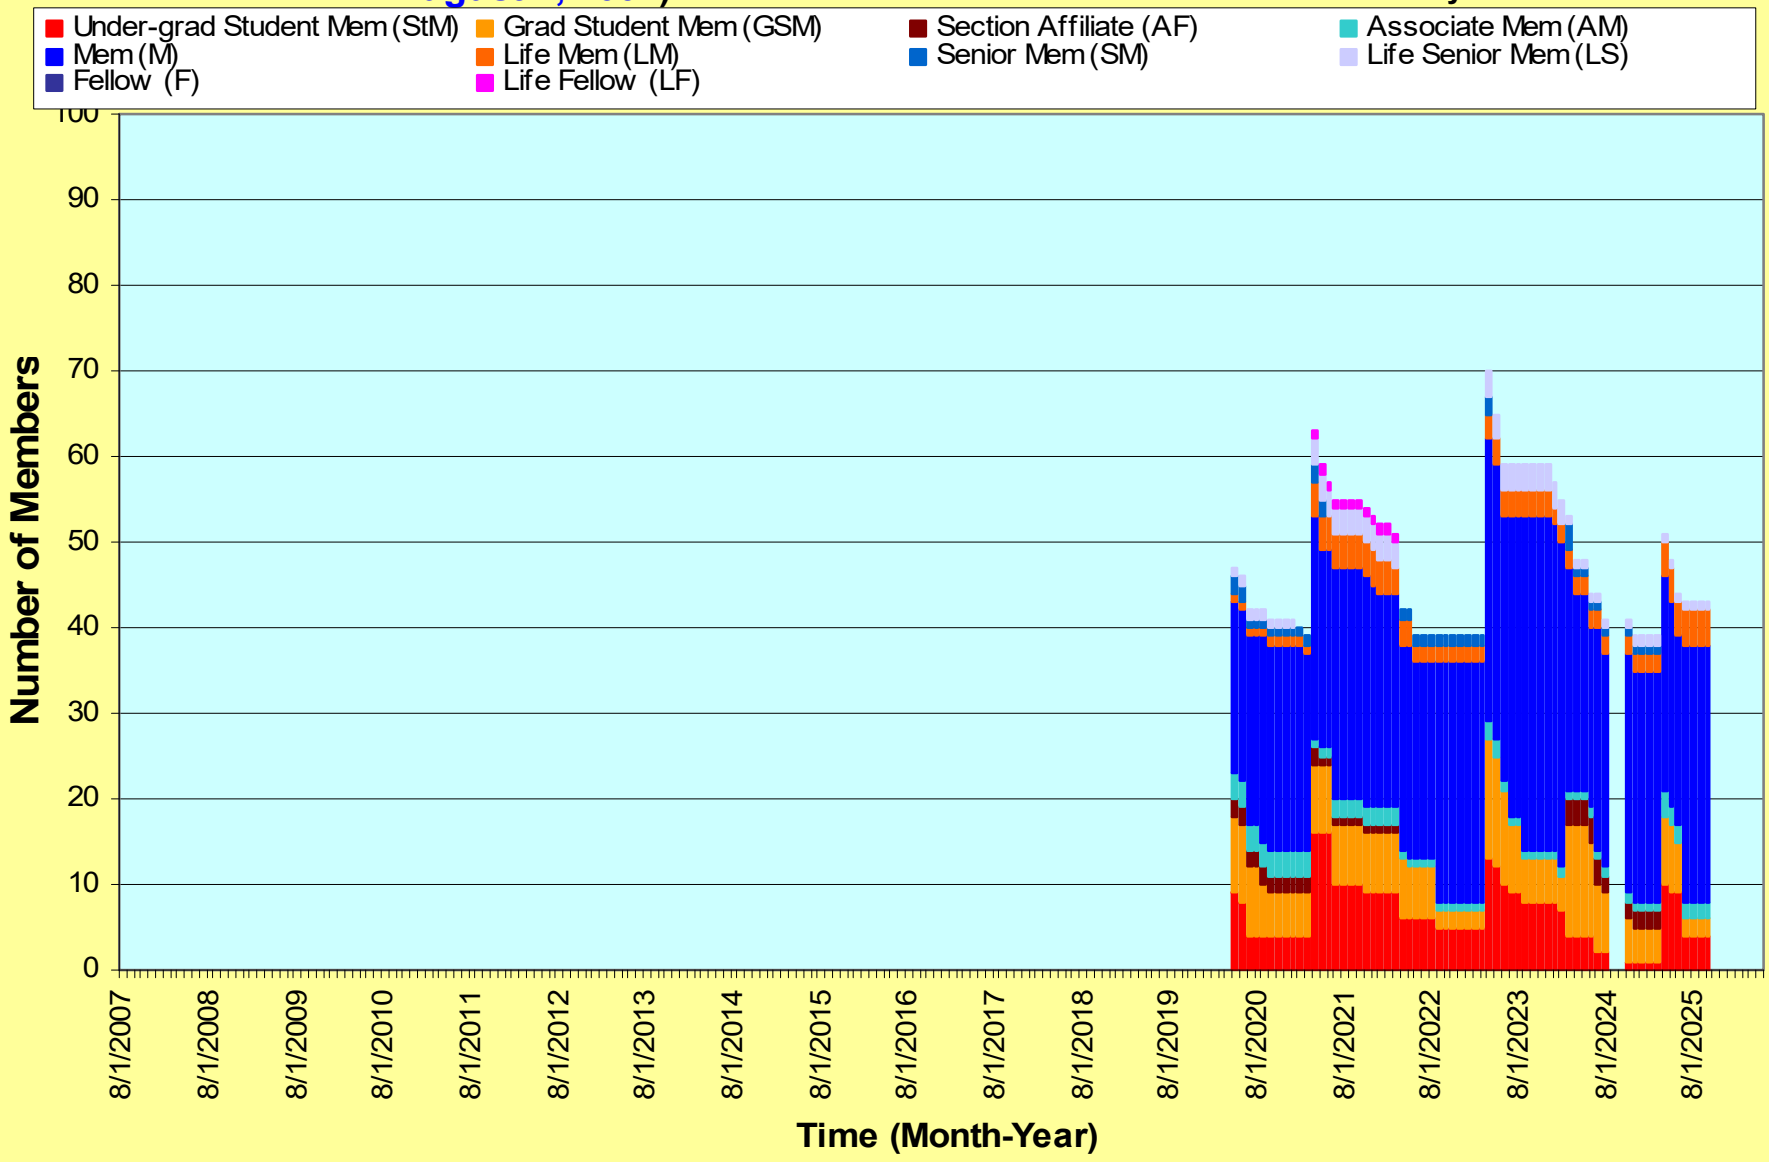
of Members (Active) of the IEEE Toledo Section by Grade Categories (Since August 1, 2007) --- Line Plot - "0" values mean that data are not available for those years



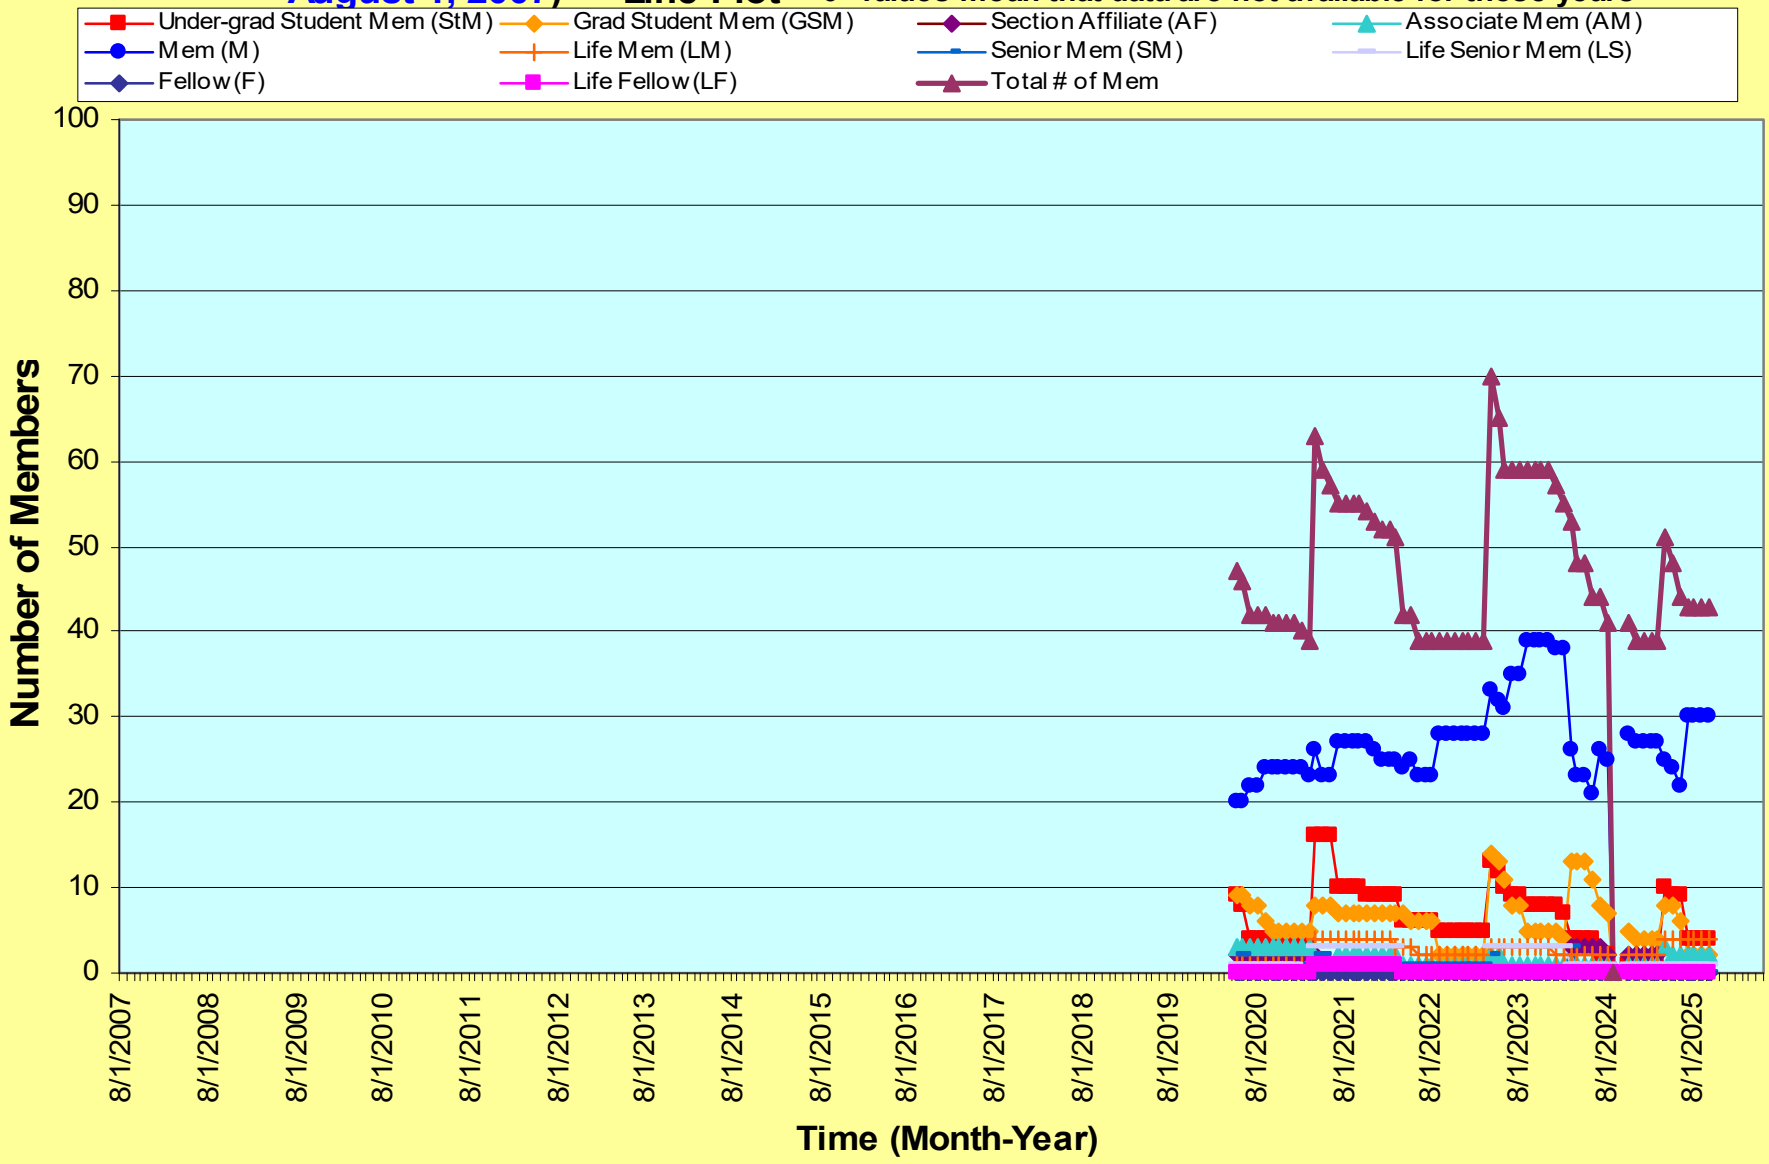
of Members (Active) of the IEEE Toledo Section by Genders (Since August 1, 2007) - "0" values mean that data are not available for those years

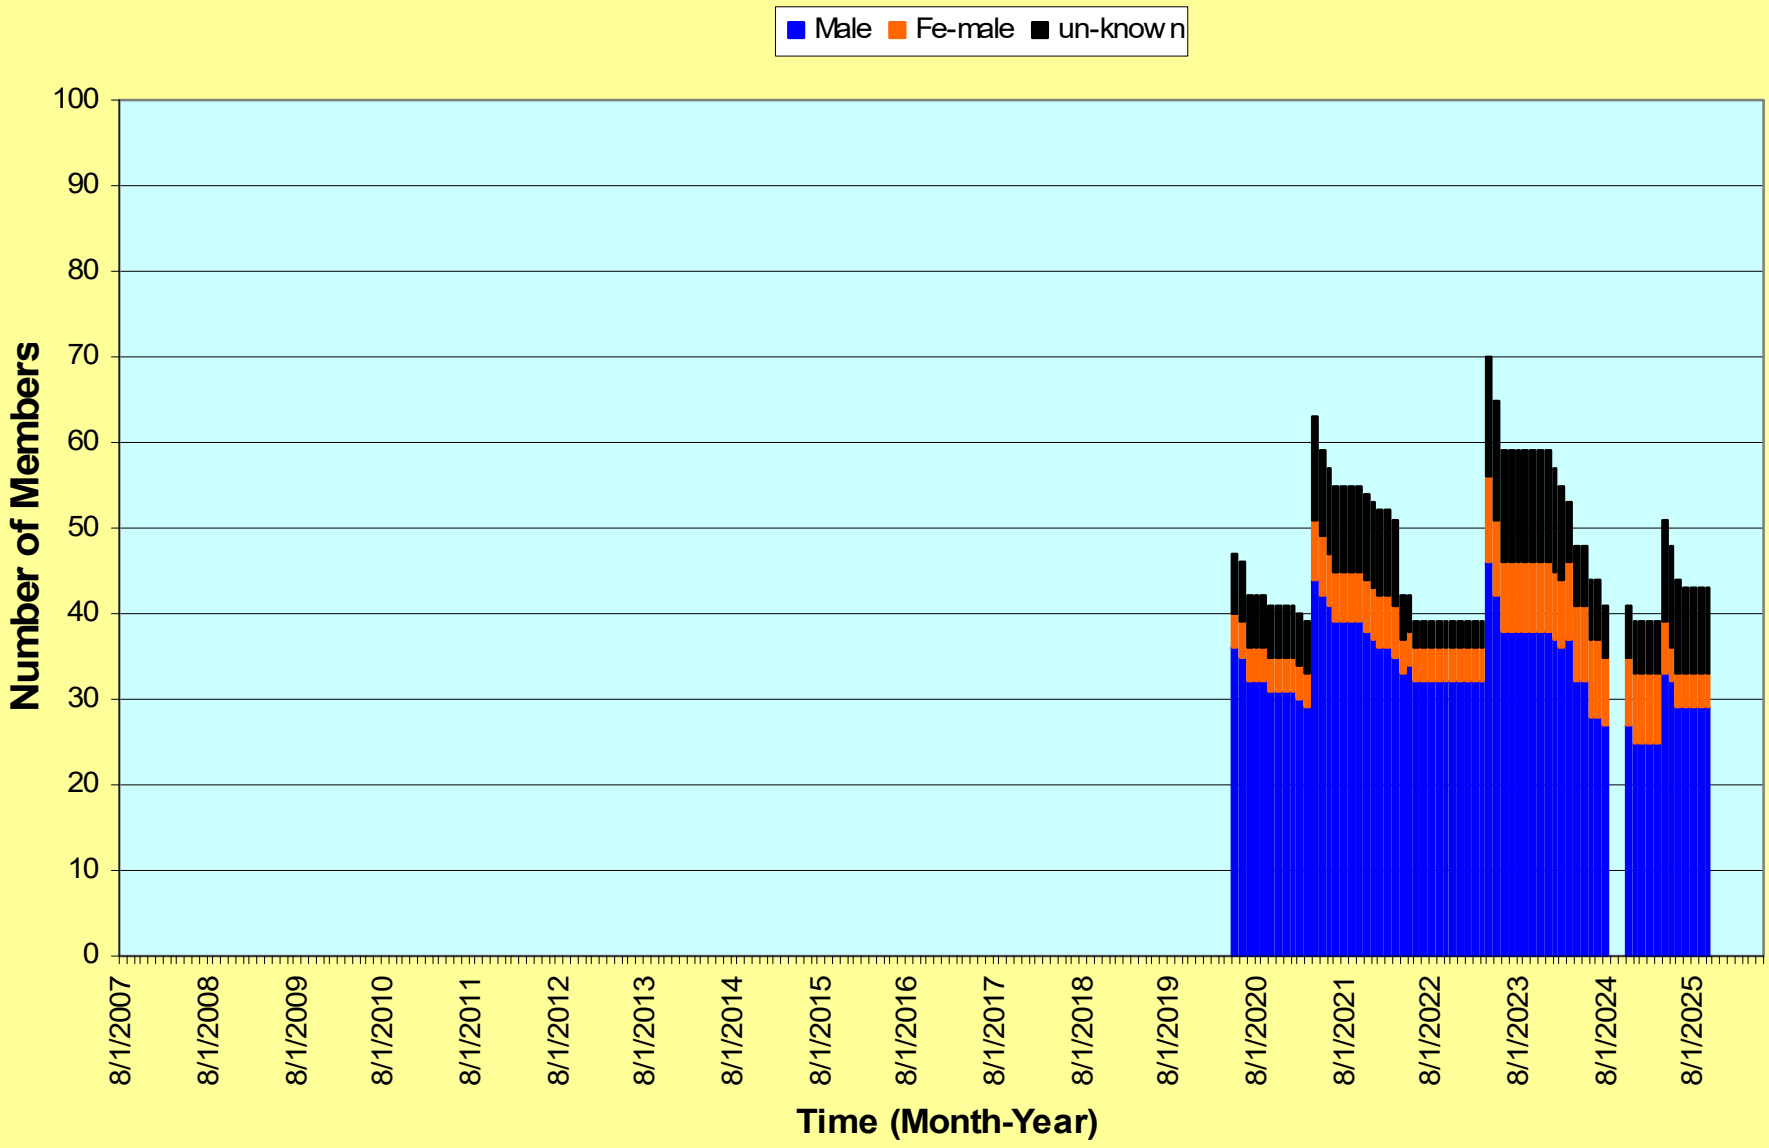


of Members (Arrears) of the IEEE Toledo Section by Grade Categories (Since August 1, 2007) - "0" values mean that data are not available for those years



of Members (Arrears) of the IEEE Toledo Section by Grade Categories (Since August 1, 2007) --- Line Plot - "0" values mean that data are not available for those years





of Members (Arrears) of the IEEE Toledo Section by Genders (Since August 1, 2007) - "0" values mean that data are not available for those years
