## Final Call for Papers

Abstract deadline: **May 4, 2008**

Abstract submission and conference website:

[http://ewh.ieee.org/conf/ius\\_2008/](http://ewh.ieee.org/conf/ius_2008/)

In 2008, the annual IEEE International Ultrasonics Symposium (IUS) will be held at the Beijing International Convention Center (BICC), Beijing, China, from November 2-5, 2008. This will be the first time that the IUS will take place in China. Beijing is the capital of China and has a long history and a great culture. It will also host the 2008 Summer Olympics and Paralympics in August and September 2008, respectively. After the Olympics, Beijing will have decorated city streets, improved infrastructure, cleaner environment, and greatly increased hotel capacity. The 2008 IUS will take advantage of this historic opportunity to offer conference attendees and their guests not only an excellent technical program, but also an opportunity to explore the rich culture and visit tourist attractions of Beijing and the rest of China. The BICC is located within the Olympic Complex.

Papers are solicited for this conference describing original work in the field of ultrasonics. Poster and oral presentation formats will be used at the symposium. Prospective authors should note that poster sessions provide an alternative format which allows for greater flexibility and expanded audience interaction. The deadline for submission of abstracts is **May 4, 2008**. The abstracts should be submitted in electronic form according to the specific information posted on the conference web page. Additional conference information can be found at the Symposium web site: [http://ewh.ieee.org/conf/ius\\_2008/](http://ewh.ieee.org/conf/ius_2008/). Each abstract will receive careful review and evaluation by the Symposium Technical Program Committee. Evaluation criteria will include originality of the work, contribution to the state-of-the-art, and overall interest to the ultrasonics community. Authors are required to concisely divide their abstract into four sections: **I. Background/Motivation/Objective; II. Statement of Contribution/Methods; III. Results; IV. Discussion/Conclusions**.
