2019 IEEE Vehicular Networking Conference
Sponsor Prospectus
4-6 December 2019
Los Angeles, CA, USA

Dear Prospective Sponsor,

The IEEE Vehicular Networking Conference will be held in the campus of UCLA in Los Angeles, CA between 4-6 December 2019. Information on previous editions is available at http://www.ieee-vnc.org/.

The event is the number one venue for vehicular networking and is typically attended by approximately 100 to 150 engineers, scientists, educators, and attendees from other organizations sharing ideas, concepts, strategies, and applications about automotive networking. Vehicular networking has a stable and highly active community where researchers work in tight cooperation with industry on making the vision of vehicular networking a reality. The conference is the 11th edition of VNC which was organized in locations in Europe, America and Asia before. It is traditionally endorsed by both IEEE Communication and ITS Societies.

This year's VNC is heading to Los Angeles, CA. The conference will select presentations that will provide insights into developments, trends or solutions about all aspects of connected and automated vehicles.

As sponsor, you would be provided with various options to participate in VNC and present your company. See the prospectus for more details on exhibit and sponsorship opportunities. If you are interested, please contact Onur Altintas   onur@us.toyota-itc.com and Danijela Cabric danijela@ee.ucla.edu for additional information.

Industry participation is important for the success and relevance of our conference. We look forward to welcoming you at the IEEE Vehicular Networking Conference.

Sincerely

Onur Altintas (Toyota R&D) and Danijela Cabric (UCLA) , General Chairs
