

IEEE World Congress on Computational Intelligence
WCCI' 2016
July 24-29, 2016, Vancouver, Canada
<http://www.wcci2016.org/>

The Congress:

The bi-annual IEEE World Congress on Computational Intelligence (IEEE WCCI) will be held in the magnificent city of Vancouver, July 24-29, 2016. The IEEE WCCI has traditionally been the largest technical event in the field of computational intelligence, hosting three separate prestigious conferences (IJCNN, FUZZ-IEEE, IEEE CEC) under one roof. Over the years the event has provided a platform for highly acclaimed intellectuals from all over the world to discuss and present their research findings on computational intelligence.

The Program:

A rich scientific program that covers all the areas of computational intelligence - plus tutorials by leading researchers in the field, a number of specialized workshops, exhibition of products, companies and research centers - make IEEE WCCI 2016 the most influential conference in the field of Computational Intelligence and a key scientific and technological event in IT. The event will also offer a series of social functions, such as welcome reception, conference banquet etc., which will serve as a good channel to establish new connections and foster everlasting friendship among fellow counterparts.

The Venue:

The conference will be held in Vancouver, Canada, from 24-29 July 2016. The venue, Vancouver Convention Centre (VCC), is located very conveniently and has all the facilities to host major conferences like WCCI with its close to two thousand estimated participants.

For Exhibitors:

The IEEE WCCI 2016 cordially invites industry representatives and publishers to showcase innovative technologies in the area of Computational Intelligence at the IEEE WCCI 2016 and support the congress with your active participation. The IEEE WCCI 2016 exhibits program is an opportunity for your organization to showcase its offerings to the broadest professional community of Computational Intelligence (CI) practitioners and researchers.

The IEEE WCCI 2014 in Beijing, China, was a very successful conference, hosting over 1200 attendees from many different countries. We are expecting between 1500 to 2000 attendees this year. In addition, the Congress is advertised extensively

throughout international promotion activities that include: The Congress and other websites, electronic and printed announcement brochures, scientific and technical journals and magazines, professional and other networks. Your participation in this prestigious event will be very beneficial to the delegates attending and to bring your business focus at an international level.

If you are interested in IEEE WCCI 2016 exhibits program, please do not hesitate to contact the Exhibit Chair, Dr. Fakhri Karray at Karray@uwaterloo.ca . You can also complete and email [the application form](#). Priority and booth selection will be made according to the application date, payment, and space availability.

For Sponsors:

The organizers invite you to be a sponsor of the 2016 IEEE World Congress on Computational Intelligence (IEEE WCCI 2016), and thus play an essential role for the success of the flagship event of the IEEE Computational Intelligence Society in 2016. Your sponsorship is key to the success of IEEE WCCI 2016 and your presence would contribute to the prestige and impact of the congress and would motivate other sponsors to join as well.

There are different ways you may give support to IEEE WCCI 2016. The following shows the standard sponsorship schedule that corresponds to usual practices in this type of conference:

Platinum Sponsor:
Donation Amount: 15,000 USD
Registration: 5
Banquet: 5
Exhibit Tables: 3

Gold Sponsor:
Donation Amount: 10,000 USD
Registration: 3
Banquet: 3
Exhibit Tables: 2

Silver Sponsor:
Donation Amount: 7,500 USD
Registration: 2
Banquet: 2
Exhibit Tables: 1

Bronze Sponsor:
Donation Amount: 5,000 USD
Registration: 1
Banquet: 1
Exhibit Tables: 1

All sponsors would be credited with their logos displayed in:

- Printed materials, as schedule permits
- IEEE WCCI 2016 website and proceedings
- IEEE WCCI 2016 registration area
- Signs at appropriate conference events
