## MEETINGS & EVENTS

### Webinar - Openreliability

Software Tools On R IEEE  
Boston, Providence and New  
Hampshire Reliability  
Chapters jointly sponsor IEEE  
NH MTT/AP Societies  
Sponsors Distinguished  
Microwave Lecture by Dr.  
David Silkworth of  
OpenReliability.org on

## MEMBER NEWS & ACTIVITIES

IEEE NH YP/WIE Student  
Connection A Brief from  
Barbara Bancroft, Vice Chair  
IEEE NH Section, on Women  
in Engineering and Young  
Professionals Student  
Connection event held on 2nd  
November 2022.

**Reliability Software Tools on R covering fast paced perusal of published tutorials, the installation of R and library packages and various interesting uses. 14 Dec 2022, 11:00 - 12:00 Noon Boston Time Virtual Online Event. Registration [Registration](#) required.**

**[IEEE Conferences and Virtual Events Calendar](#) Browse for Upcoming Conferences, Major events and those available on-demand. Also watch [IEEE TV For More..](#)**

**MEMBER BENEFITS & RESOURCES**

**[Dr. Baris Kazar](#), treasurer for IEEE NH Computer Society, expresses his sincere thanks and appreciation to IEEE National Computer Society for awarding us the Chapter Grant in support of the 5th Workshop for Women in HW and Systems Security (see the report from Qiaoyan below). On behalf of the IEEE NH and the local CS Chapter I would like to highlight the cordiality, collaboration and dedicated help extended by Kerry Cosby & Eric Berkowitz for getting the grant process completed in a compressed timeframe and, for the smooth flow of funds, while**

## **[IEEE Competitive](#)**

**[Advantage](#) Watch how your IEEE Peers and Colleagues are reaping the benefits of IEEE Membership, notably competitive advantage for successful careers. Subscribe to **[IEEE Youtube Channel](#)** .**

---

## **[Keep Abreast of the Member](#)**

---

## **[IEEE Computer Society](#)**

**[Learning Platform!](#) Visit frequently to keep pace with technologies and trends that**

**strictly adhering to all the IEEE process rigors.**  

---

## **[Report on Workshop for Women in Hardware and](#)**

**[Systems Security](#) An Activity Report from Professor **[Qiaoyan Yu](#)**, University of Newhampshire on the IEEE Sponsored and Supported 5th Workshop for Women in Hardware and Systems Security  **

---

**[IEEE NH YP/WIE Fall Picnic](#) A Brief from **[Barbara Bancroft](#)**, Vice Chair IEEE NH Section, on Women in Engineering and Young Professionals Fall**

are making the biggest impact on the industry and the society. 

**JOBS & CAREERS**  

[Nationwide Jobs](#)  
[Computer Jobs](#)

**NEIGHBORING SECTIONS**

[IEEE Boston Section Video Archives](#) Watch the growing library of interesting Video presentations by Boston Chapter. Notably watch the videos of our own Paul Carr on "Greener Power for More Electric Vehicles" and "Achieving a Net Zero Carbon Future"

**Hiking Picnic on 15th October 2022.**  

[Engaging with Student Chapter IEEE at UNH](#) Our UNH Student Branch Chapter is seeking engage with alumni, and other interested IEEE members to provide their perspectives on careers, education and professional experiences. This is a great way to help our Student members, directly and through our contacts and provide them pathways to internship and future employments.  

[IEEE New Hampshire You Tube Channel](#)

**IEEE Boston [Boston Reflector](#)  
[October 2022](#)**

---

**IEEE Maine [Beacons 2022](#)**

**SOCIETIES AND CHAPTERS**

**IEEE Robotics: Catchup on latest Robotics news and videos in IEEE [Spectrum](#) December 2022. Watch interesting videos on Humanoid Drummer, Humanoid Soccer and Robots learning Human Tricks for not Falling.**

---

**IEEE Sight Humanitarian Activities: [Keep Abreast](#) of, and feel proud of what they do, and read action stories**

**Visit, Browse, Subscribe to our You Tube channel for current and past Newsletters, the video recordings of Various Webinars/Events, Multi-Media Technology Digests, and Technical Presentations, Video Logs and Artistic Creations of our Members, New England Sections. Any questions [Contact](#).**  

---

**[IEEE NH Tech Policy Topics Discussion Group and Events](#) Please read the full details in the above link. Please join the [online group](#) where we will be developing and announcing upcoming activities.**

---

**from across the world. In the latest newsletter read about innovative adaptations of Technology, Deliberations and Tradeoffs in Bangla Desh, Nicaragua and India.**

**IEEE TechEthics Updates [Current Initiatives](#). Watch a recent [Panel discussion](#) on the frameworks needed to evaluate the ethical, legal, social, and cultural implications that may arise from increasing deployment of Neurotechnology across a wide range of applications.**

**MISCELLANEOUS CORNER**

**[STEM Programs and Resources in New Hampshire](#) This is a comprehensive compilation on pre-college STEM programs and resources available within New Hampshire. Please share these widely in your communities, especially with Parents and Teachers. Special Thanks to our Webmaster**

**[Alan Schechter](#).**  

**GOVERNANCE**  

**[IEEE NH 2022 Officers](#)**

**Executive Committee Meeting Summaries from [Jim Isaak](#), IEEE NH Section Chair.**

## [IEEE Strength is Weak](#)

[Ties](#) Enjoy this short reflection by Jim Isaak, Chair IEEE NH Section, where he underscores Betty Anderson's profound observation that "Volunteers don't get paid, not because they are worthless but because they are priceless".  

[Natures Music](#) Hope you find this short reflection of expanding personal interests as part of professional life. Look forward to seeing [yours](#) in a future issue(s)  

[Cautious Generosity](#) This item is repeated as we got surprisingly larger positive

## [Excomm Summaries](#)

If you are an IEEE member and would like to attend a future meeting, please contact Section Chair [Jim Isaak](#) or Section Secretary [David Casper](#).

## EDITOR'S CORNER

This Newsletter is a great opportunity for members and students to contribute articles and/or share blogs from your vantage. I appreciate your [Thoughts and Contributions](#). 

**feedback from the audience. In case you missed it, or would like to have handy reference to read it again, here its. Hope you enjoy this Life/Arts/Humans corner for sharing lighter and joyful moments of life, contributed by our members. Look forward to seeing [Yours](#) in a future issue(s)**  

**[IEEE Puzzlers](#) Join the IEEE Recreational Math and Puzzlers community on Collabratec for developing and disseminating brain-teasers and puzzles of interest to IEEE members,**

**families and enthusiasts.**
