

June 2018 NH IEEE Section ExCom Meeting

Meeting Notes

Meeting Date: June 14th

- Elections are near so anticipate a call for Nominations. Call for nominations will be open for July and September. Our Section is a great group of Engineers and volunteering is a rewarding endeavor. If you are interested in volunteering for the Excom, please keep an eye out for the Call for Nominations.
- This year, The NH Section sent a young professional female engineer to IEEE Women International Conference (WIE ILC) in San Jose. She came back and presented the lessons learned during this exciting convention. Read more on our NH IEEE website: <http://iee-nh.org/2018/06/17/wie-ilc-2018/>
