

Congratulations on Your Acceptance into NVIDIA Inception!

## NVIDIA Inception: Application Approved

We're pleased to inform you that Green Data Facility's [NVIDIA Inception Program](#) application was approved! Congratulations on joining an elite group of startups driving change across industries and around the world. To help you get started, here are some resources that our members have found helpful.

- Watch the [NVIDIA Inception Welcome Video](#) to learn how to get the most out of your membership.
- Log in to the [Inception Portal](#) to update your profile, request benefits, and explore startup resources.
- [NVIDIA AI Foundation Models](#), available on [NGC](#), are a curated set of community and NVIDIA built models optimized for peak performance. You can experience these models directly from your browser through APIs or GUI, then customize and deploy seamlessly with AI Foundation Endpoints.
- The [NVIDIA Developer Program](#) offers free tools and resources for the global developer community. Ask your engineers to sign up today to access member-only tutorials, forums, and other support tools.
- Discover how to maximize the value of your NVIDIA Inception membership. Register for an NVIDIA Inception Onboarding webinar by clicking on the link below that corresponds with your location:
  - [Americas](#)
  - [Europe, Middle-East & Africa](#)
  - [India and Asia](#)

If you have questions, check out the [Inception FAQ for Startups](#) or reach out to [InceptionProgram@nvidia.com](mailto:InceptionProgram@nvidia.com) for support. Welcome to NVIDIA Inception!

Congratulations and welcome to NVIDIA Inception,

NVIDIA Inception Team
