October 18, 2023

Bedford Events Center

New Format

AM: Presentations as Usual

PM: Hands-On Activity Sessions Directed by Morning Speakers

NHJES Committee Volunteer Opportunities

The NHJES annual conference is run by a committee chairman and representatives from the 7 sponsoring technical societies. Michael Boque is stepping down after serving in the chair position for the past 5 years. Several committee members are also stepping down following this October's conference. We are actively seeking individuals to fill these vacancies. Volunteering to serve on the committee is a great opportunity to work along side a dedicated team of engineers. With a paid administrator to handle routine tasks, the efforts are minimal and the degree of satisfaction high. Please contact me at donsherwood@ieee.org to provide additional information.
