

***Directions to the Chester F. Carlson Center for Imaging Science at the
Rochester Institute of Technology
Rochester, New York 14623***

The Carlson Building is located at 54 Lomb Memorial Drive on the RIT campus.
Directions to RIT are available on the RIT web site at <http://inside.rit.edu/maps>.

Arriving from Jefferson Road (Route 252), turn into the main RIT entrance onto Lomb Dr. Proceed to the flag pole circle, turning right at the circle onto Andrews Dr. Turn left at the next stop sign and park in Lot F. After 5 pm reserved parking is no longer in effect. Carlson (Building 76) is the three story brick building with gold mirrored windows on the corners at the top (south end) of parking lot F. Enter on the left (east) side. The Auditorium (76-1125) entrance is there. The Carlson Learning Center (76-1275) is down the hall to the right.

The map below is also available on the RIT web site listed above.
