

IEEE DML Talk on 10th October, 2025

The IEEE AP/MTT-S Joint Chapter, Kolkata section organized “IEEE Distinguished Microwave Lecturer (DML) Talk” on 10th October, 2025. The event began with a warm welcome address by Ankita Biswas, Vice Chair, IEEE AP/MTT-S SBC of IIT KGP. Our esteemed speaker was Dr. Chung-Tse Michael Wu (Associate Professor, National Taiwan University). The topic of the lecture was on “Sensing, Tracking, and Secured Communication with Artificial Electromagnetic Materials”. In the valedictory session, Ms. Ankita Indu, Secretary, IEEE AP/MTT-S Joint Chapter, Kolkata Section delivered the Vote of Thanks. The event was concluded in online platform (google meet). The event was graced by 32 attendees from different institutions across India (IEEE Members: 18, non IEEE Members: 14) .
