Patrons and Exhibits Information

2021 IEEE Second International Conference on Control, Measurement and Instrumentation (CMI) is the flagship conference of the IEEE Joint CSS-IMS Kolkata Chapter, India and is dedicated to the advances on the control system, measurement methodologies, Sensors and Measurement Systems, Instrumentation and its latest development. IEEE CMI 2021 is designed to promote interactions between Industry and Academia. It will furnish a wide spectrum of research results with deeper theoretical and/or industrial applications.

The event is one of the golden opportunities for the corporates to reach the national/international thinkers in Control, Measurement and Instrumentation. It gives best visibility to market their products and services to the Engineers and critical challenges to the researchers developing next generation sensors.

IEEE CMI 2021 will offer a large and prominent exhibition area integrated with all activities including coffee breaks, poster sessions, and special sessions on industry papers, panel sessions etc. Exhibit booths from patrons will be visible and central to all attendees throughout the conference.

In addition to the opportunity to exhibit, several promotional items allow companies to demonstrate their technical leadership and support to the conference. Please have a look at the following table with fees and benefits for Patrons and Exhibitors.

Special recognition is provided to the sponsors with the highest levels of support for the Conference as shown in table below. The patronage status (silver, gold or platinum) will be acknowledged during the conference and provides additional benefits as listed in the table "Benefits for Exhibitors and Sponsors".
