

Celebrating WIE Day

“Providing Safe Cyber Space for Women”

Organized by

WIE Kolkata Section

in association with

Dept. of Electronics and Telecommunication, Jadavpur University

&

COMSOC Kolkata Chapter | CAS Kolkata Chapter | COMSOC JU Student Branch

Krishnendu holds a B.Tech from Calcutta University and a PGDIT from IIT Kharagpur. With over 24 years of hands-on cybersecurity experience, he has secured mission-critical infrastructures like power plants, stock exchanges, and core banking systems. He is currently the Head of Information Security at

CESC Limited, overseeing IT and OT cybersecurity for power generation, transmission, and distribution. Previously, he served as Global Senior Director of Enterprise Security Services at Boston Consulting Group (BCG), leading cloud security, application security, attack surface management, IAM, penetration testing, and red team functions. He has collaborated with global CISOs and CIOs across industries such as BFSI, manufacturing, energy, and telecom. Krishnendu has lived in India, The Netherlands, and the UK, and has worked across 30+ countries worldwide.
