Does your chapter have a webpage?

Did you know IEEE provides tools (WebInBox) for your chapter to create a webpage in a very simple way? You can also link your webpage to Vtools so the events and chapter officers are updated automatically. Tutorials: <https://site.ieee.org/vtools/webinabox-tutorials/>

Yes

No

Please provide the url of your chapter's webpage

Webpage URL

Last Time Updated

Chapter Webpage

<https://ewh.ieee.org/r10/delhi/pe-ia.html>

Answer text

Does your chapter use any social network platforms (Facebook, LinkedIn, Instagram, Twitter, ...) to obtain on-line presence?

Yes

No

What year did your chapter submit the last annual report?

2019 (submission around Dec 2019)

2018

2017

2016

2015 and before

Did your chapter receive any IEEE PES Distinguished Lecturer (DL) visit in the past year?

Please only report completed (not scheduled) DL visits

Yes

No

Please provide further information about the PES Distinguished Lecturer(DL) visit

Please check the box of "Add More" to add more chapter-level awards your chapter presented in the past year.

Did your chapter organize any technical or professional events with any PES Student Chapter in your area in the past year?

Yes

No

Not applicable, my chapter doesn't have any local student branch

Did your chapter present Outstanding Engineer Award (OEA) or Outstanding Volunteer Award (OVA) to your members in the past year?

Outstanding Engineer Award (OEA) or Outstanding Volunteer Award (OVA) are the chapter-level awards that each PES professional chapter could recognize the outstanding engineers and volunteers in their local chapter.

Details can be found here: <https://www.ieee-pes.org/pes-communities/awards/chapter-awards>

Yes

No

Please provide the recipient information of your chapter OEA and OVA

Please check the box of "Add More" to add more chapter-level awards your chapter presented in the past year.

Did your chapter report your latest officer change using Vtools Officer Reporting?

Yes

No

Did your chapter report all the organized events in the past year using Vtools Events?

Yes

No

Do you know you can view all your reported event in Vtools Events and download a summary of all the events in a CSV format? You can use this summary for the completion of this report.

Tutorials: <https://site.ieee.org/vtools/?mdocs-file=4184>

How many technical and professional events (excluding administrative meetings) have your chapter organized in the past year?

The answer is expected to be a NUMBER

36

Answer text

How many administrative meetings did your chapter organized in the past year?

The answer is expected to be a NUMBER.

4

Answer text Please briefly summarize your chapter activities in the past year

Please use bulleted lists to provide brief summary. Details can be provided in the second page of this report.

The year 2020 was eventful with a lot of activities conducted.

9th IEEE Power India International Conference- PIICON2020, being Co-sponsored by IEEE PESIAS Delhi Chapter the 9th in this series was held from 28 Feb-01 March 2020 at Deenbandhu Chhotu Ram University of Science & Technology, Murthal, Delhi-National Capital Region, India. The Conference theme was, "Reinventing the Electric Power Systems". A number of technical events, expert lectures / DL talks were also held. Most events could be organized in virtual mode due to pandemic. A lot of lectures were held on smart grid, power system modeling, renewable energy sources, and integration and related power quality issues. Use and development of new devices and Power electronics converters and their control were favourite topics.

Please briefly describe your chapter plans for the next year

Please use bulleted lists to provide brief summary

- *To have more PES / IAS members

- *Encourage industry collaborations

- *The Chapter is planning to have more activities with ' Women in Engineering ' and Young Professionals affinity groups.

- *Many more quality technical activities are planned in the next year

Please share the challenges your chapter is facing

Please bulleted lists to provide brief summary

- *Although no major challenges, yet tie ups with industry required on a larger scale.

What do you think your region, PES and IEEE could do to help your chapter?

Please use bulleted lists to provide brief summary

- *Good training of volunteers

- *More funding opportunities

- *More Awards / appreciation/ certificates to recognize good work of volunteers

High Performing Chapter Award (HPCA) is one of the society-level awards to recognize high achieving PES professional chapters. Each qualified chapter will be awarded with a maximum of \$1000 and a minimum of \$200. The scoring criteria for HPCA can be found at here: <https://www.ieee-pes.org/pes-communities/awards/chapter-awards>

Outstanding Chapter Award (OCA) is also one of the society-level awards given to the chapter that provide the greatest overall contribution and service to its members. The OCA submission for 2020 will be open around February 2021. Notifications will be sent to all chapter chairs around end of January 2021. The details for OCA submission can be found here: <https://www.ieee-pes.org/pes-communities/awards/chapter-awards>

Please contact PES Chapter Award Chair Paul Pabst for further questions.

How would you like to receive funding if your chapter is qualified for the High Performing Chapter Program?

To the "Concentration Account" of the IEEE Section or Chapter
