UNLOCK 14.0-key to IEEEExtreme 14.0

12 HOURS CODING CONTEST

Hyderabad Chapter Office Bearers

Mr. T. Vidyasagar [Chair]

Ms. Reena Dayal [Vice-Chair]

Dr. M. A. Jabbar [Vice- Chair, Student Activities]

Mr. G. Dileep Kumar [Secretary]

Dr. Rajanikanth Aluvalu [Treasurer]

Date & Time: 21st June 2020 from 09:00 am to 09:00 pm

Description: To demonstrate “12 Hours Coding Contest”

UNLOCK 14.0 was an excellent initiative taken by IEEE Hyderabad Section in association with the Student Activities Committee & Computer Society Chapter and IEEEEXTREME PROGRAMMING COMPETITION. It was a 12 hours coding contest that commenced on the 21st of June, 2020 at 9 a.m. and ended at 9 p.m. Volunteers are the backbone of every event conducted under the hood of IEEE and the volunteers of IEEE Hyderabad Section did not fail to prove it again. The restless support from Mr.N.Venkatesh, the Chairperson of the IEEE Hyderabad Section proved to be one of the prominent motives behind the success of this UNLOCK 14.0 the 12 hours coding contest. Along with Dr.G Sree Lakshmi, the Chairperson of Student Activities Committee; Mr. Vidya Sagar, the Chairperson of the IEEE CS Chapter Hyderabad Section provided major support as well.

Compete with us to avoid adverse effects of Solar Eclipse

21st June 2020 | 09:00 AM - 09:00 PM

IEEE HYDERABAD SECTION | IEEEHYDERABAD | <https://ieeehyderabad.org>

The most awaited competition began at 09:00 a.m. on June 21st, 2020, with 684 participants logging into the CODECHEF platform to the link provided by organizers and actively solving problems at breakneck speed. The response of the participants was unmatched as they did not stop till 9:00 p.m.

The organizers and volunteers were active for 12 hours to make sure there were no glitches faced by the participants and solved each and every query with a lot of patience. They made sure that the competition was a fair one by steering clear of available codes online from various coding platforms. They achieved this by performing a plagiarism check every once in a while. The volunteers also kept the participants entertained by asking them to click their pictures while coding. The best pictures were posted on the social media handles of the Student Branch.
