

PECON 2016

2016 IEEE International Conference on Power & Energy

28-30 November 2016 | Melaka, Malaysia

Visit Us @ <http://bit.ly/pecon2016>

Jointly Organised:

PECON2016

Tracks

- Computer and AI Applications in Power Engineering
- Control in Power Electronics
- Electrical Drives & Traction
- Electrical Machines & Actuators
- High Voltage & Dielectric Insulation
- Power Engineering Education
- Power Electronics Applications
- Power Electronics Convertor
- Power Quality, Power System Protection
- Electromagnetic Compatibility & Inference
- Power System Dynamic, Stability & Control
- Power System Planning, Economics & Operation
- Renewable & Sustainable Energy
- Smart Grid & Unity Applications
- Transmission & Distribution

Important Dates

Submission of Full Paper

Notification of Paper Acceptance

Registration, Full Payment,
Submission of Camera Ready

Conference Date
28-30 November 2016
