

IEEE EMBS Career Developments in Biomedical Engineering

Friday 31 July, 2009

The Queensland Chapter of the IEEE Engineering in Medicine and Biology Society (EMBS) is proud to announce the 2009 career development day for Biomedical Engineers in Queensland.

Programme

- 8:30-8:55: Registration
- 9:00-9:10: Welcome & Introduction from IEEE Qld EMBS Chair, Dr. Mohanraj Karunanithi, The Australian E-Health Research Centre, ICT Centre, CSIRO
- 9:10-9:40: Career pathways in Biomedical Engineering - Dr. Robert Iskander, School of Optometry, Queensland University of Technology
- 9:40-10:10: Biomedical Engineering - where does it fit between healthcare and engineering? - A. Prof. Stephen Wilson, School of IT & Electrical Engineering, University of Queensland
- 10:10-10:40: Morning Tea
- 10:40-11:20: Biomedical Engineering from Private Industry perspective – Dr. Andrew Ward, Director & Engineering Manager, Intellidesign, Queensland
- 11:20-12:00: Human Resources: Approaches and tips for applications to Biomedical Engineering position – Ms Taryn Mungur, Taryn Mungur Consulting
- 12:00: Snacks & Refreshments
