-- Announcement --
IAET/APSTNC Student Travel Grants for APMC 2008

The IAET/APSTNC Travel Grants for APMC 2008 are established by the Institute of Antenna Engineers Taiwan (IAET) and the IEEE APS Tainan Chapter (APSTNC). The purpose of the grants is to support qualified full-time graduate students to attend and make presentations in the APMC 2008 which will be held in Hong Kong and Macau in December 2008. Interested applicants are encouraged to apply after carefully reading the following information to insure their eligibility and ability to comply with application requirements and deadlines.

ELIGIBILITY:

1. The candidate needs to be full-time graduate student.

2. The faculty advisor of the candidate needs to be the member of Institute of Antenna Engineers Taiwan AND IEEE AP-S Tainan Chapter.

3. The candidate needs to be a student member of IEEE AP-S.

4. The candidate must have contribution accepted for oral or poster presentation at the 2008 Asia-Pacific Microwave Conference (http://www.apmc2008.org/).

5. The candidate must be the first author (excluding the faculty advisor) to the accepted contribution.

6. The candidate must be the presenter of the accepted contribution.

AWARDS: Total five grants will be awarded. One grant in the amount of NT$10000 and a certification is available to a graduate student. The awardees are advised that to make their acknowledgements for the supports from IAET and APSTNC during the paper presentations. Award presentations will be made after the Conference, and therefore awardees must make their own arrangements to cover travel expenses to the meeting.

APPLICATION & SCHEDULE: Please submit the accepted paper along with the Application Form to the IAET General Secretary Prof. Kuo-Chien Chao at "kcchao@csu.edu.tw." Please attach a photo copy of the English Proficiency Certificate (if any). The due date for applications is **October 20, 2008**. The Grants will be released upon the receipts of the Attendance Reports. The Attendance Reports must be received within two weeks after the Conference.

SELECTION: An Award Committee will be organized for the selection of awardees. Selection of awardees is basically based upon the candidates' qualification. Applicants with English Proficiency Certificate (such as TOEFL, GEPT, ECL, TOEIC……) will be given higher priority. Qualified candidates will be notified of their selection as soon as possible following the Award Committee Meeting.
